FOREWORD

For thirty-five years Pasadena High School has been epitomized by the familiar strains of our fight song, which puts to voice, SPIRIT. School spirit is evident in the many phases of our school life—from earnest effort in school work to outstanding athletic teams. After one, two, or possibly three years at Pasadena High School, you are a part of the school spirit, just as it is a part of you.

ACTIVITIES

The year's activities were highlighted by a football championship, merit scholarship award qualifiers, seasonal parties, class elections, interscholastic league competition, and graduation for the seniors.

Homecoming activities brought familiar faces and recalled memories of former days. Christmas parties, trees, and holidays brightened the winter months. Spring was filled with contests, picnics, and plans for the future.

FALL

Summer faded into the hot weeks of school, known as fall. After students finished registering, the following weeks were filled with parties, dances, tests, and holidays. The unheralded Eagles' football team clicked at the first district game, won 12 AAAA, and gladdened the hearts of 1700 students. The fall season was culminated with many happy memories, which will never be repeated. They will not, however, be forgotten.

FALL BROUGHT NEW FACES

Sophomores, with looks of varied anticipation, await the bell on their first day of school at P. H. S.

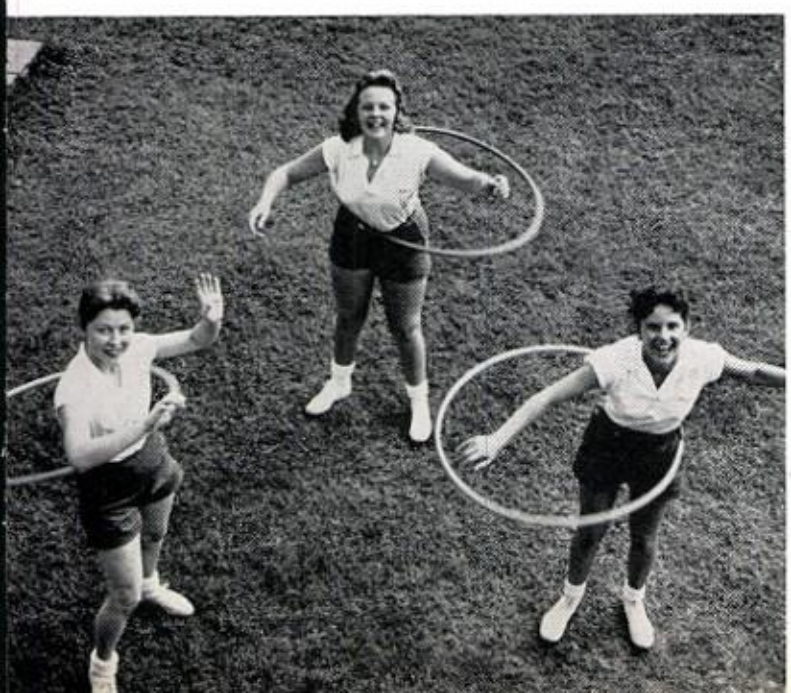
Sophomores Sharon Fleming and Konnie Boeger start their campaigns early as elections get under way.

Mr. White congratulates the five finalists from P. H. S. in the National Merit Scholarship test, who are Patsy Fowler, Walter Taylor, Reagan Ainsworth, Leonard Faseler, and Jerry Usrey.

AND OLD FRIENDS

Sophomores were privileged to be oriented in the new (and air-conditioned) auditorium.

Carolyn Parker dons a cap and gown to have her senior picture taken by Frances Stricklin.



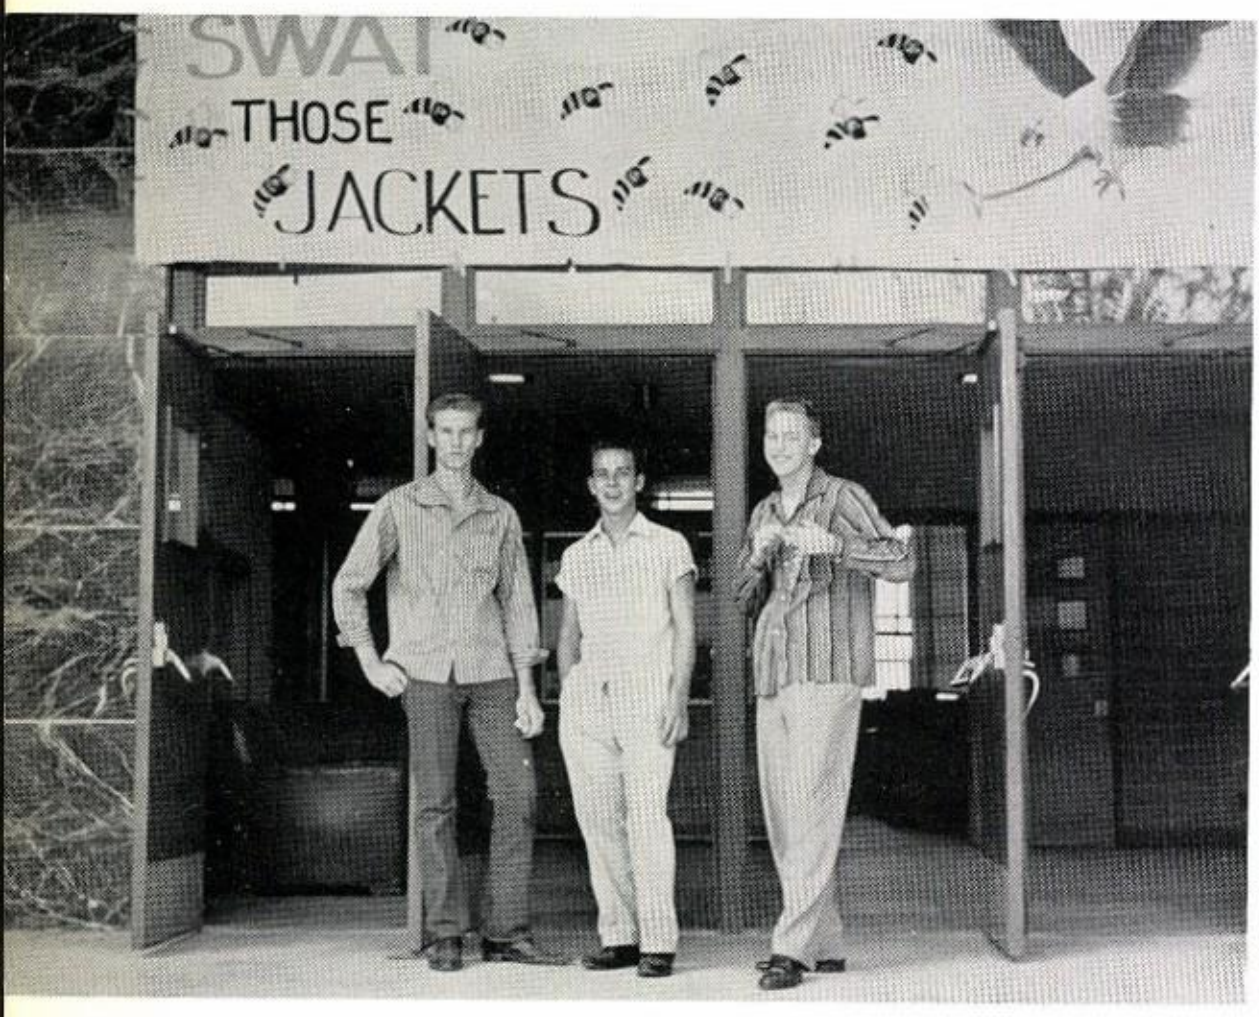
Ramona McDonald, Dawn Johnson, and Peggy Kurtz go along with the newest fad—hula-hooping.

The early riser's enthusiasm was boosted by the band and the cheerleaders during the pre-school pep rallies.

EVERY EAGLE BOOSTS

Tests began early this year, as Seniors took the scholarship qualifying test in the auditorium.

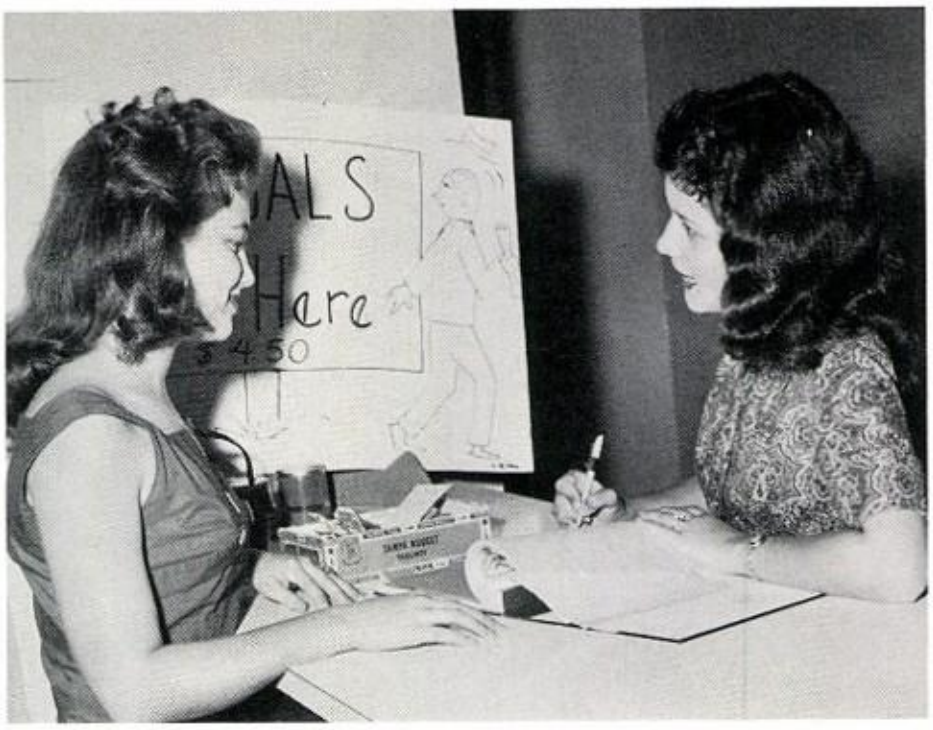
Eagles' spirits rose as we continued to win our district games; bonfires highlighted this enthusiasm.



Enormous signs placed on and around the campus expressed the feelings of Jimmy Cochran, Johnny Mills, and Jerry Martin.

Homecoming Day was climaxed by a dance at Southmore Junior High; all Eagles were well aware that we had beaten our annual foe, the Galena Park Yellow Jackets.

SCHOOL SPIRIT THIS YEAR



Fall found Annual sales well under way, as Diana Henckel sells a subscription to Darla Hammons.

The more the Eagles won, the more the school boosted them, a popular saying was, "it takes a lot of steam to back a big team."

The annual Fat Stock Show and Rodeo had many P.H.S. contributors; F.H.A. girls made a pretty picture during the parade.

FADS, VISITORS, AND

If you wore the popular leotites in red, they said, "hi, chief." If you wore them in blue, they asked you if it was cold, however, the varied colored stocking proved to be quite a fad, and many fashion-minded girls bought *and* wore them.

Julia Scott and friends welcomed visitors from industry, who visited the school on BE Day. Twenty-five representatives of local industries came on this day.

Senior cheerleader Joyce Johnson didn't let the rain dampen her spirits.

Beverly Howard exhibits the correct type of clothing to wear when being interviewed for a job. This type of lesson is an annual feature of Mrs. Smith's office practice class.

VICTORY APPEARED

Through two lines of pretty girls, Coach Barfield's boys run onto the field with hopes of another victory. Led by Danny Brown, Earl Walling, and Archie Peterson, they look determined!

Mr. Loden seems as proud as anyone of the new piano, which seemed to 'come' with the new auditorium.

Jimmie Bell, Jerry Wilson, and David Pellham found that sporting Baldy around was a big job, but not a bad one.

WINTER

Winter was here in name only until
the first norther appeared. Eagle
fans then huddled in coats and gladly
sat through cold bi-district, quarter-
final, semi-final, and final football
games, cheering their team to victory.
Christmas suddenly approached and cor-
sages were bought for the Christmas
formal. Holly, mistletoe, candles,
and carols brought that magical spirit
of Christmas to every drab corner of
the campus. January and February
brought exams and valentines.

WINTER BROUGHT TRIP TO

Dr. Wolfe, president of the Pasadena Quarterback Club, presents Coach Bob Barfield a new car, which was a gift from the club and all Pasadena.

The hall was beautifully decorated by Mr. Pope and his able helpers: Nancy Coon, June Turner, Robert Anders, Jody Blackburn, Sue Walling, Kenny Lawrence, Jeannie Armand, and Tommy Tolbert.

The Christmas formal, held in the Southmore Cafeteria, was anticipated and enjoyed by many students and their dates.

AUSTIN AND CHRISTMAS

Marilyn High helps Jean Wiggins, Jane Ann Leach aids Judy Rhodes, and Claudean Hargis pins Jo Lynn Pagitt's tag on as the Most Beautiful contestants await the judging.

Members of the Annual Staff; Jane Ann Leach, Sharon Ferguson, Jolene Motley, Anita Heichelbech, and Diana Henckel; made a trip to Denton for the Texas High School Press Association meeting with their sponsor, Mrs. Frances Smith.

David Fleming and Gary Bailey entertain at the V.I.C. Variety Show.

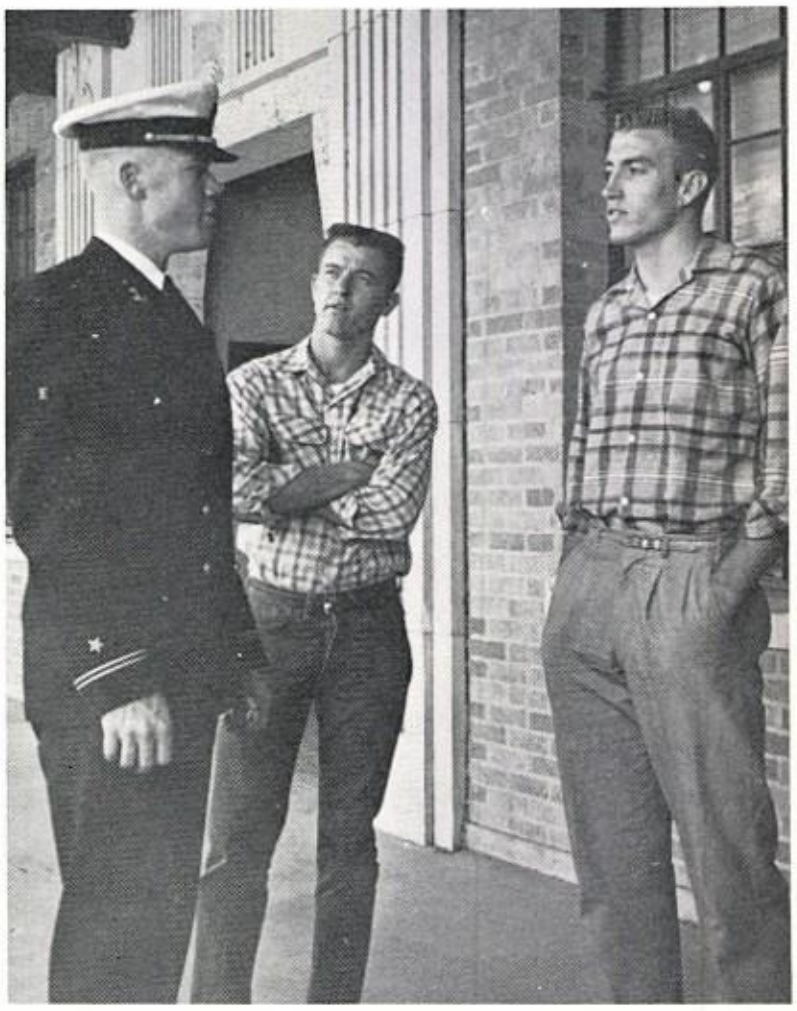
TESTS AND BASKETBALL

Carolyn Coleman, Jane Leach, and Claudean Hargis were the runner-ups for Band Sweetheart.

Mr. Etheredge supervises the Ag boys as they help complete a Memorial Garden, which will commemorate Pasadena students who died during the school years.

REPLACE FESTIVITIES

Wesley Briscoe and Carl Choate discuss Annapolis with a cadet from the Naval Academy.



Students at the basketball game watch as David Maxwell makes a basket.

SPRING

In the spring, students emerged
to find a warm, green world. The
days were filled with fun, swimming,
geometry, and English. Seniors
climaxed spring and three years with
a constant round of parties, teas,
the Prom and Banquet, and graduation.
With spring came the realization that
summer's approach was again heralding
the close of another year. It was a
year of events and memories. It was
a good year.

CONSTRUCTION AND LONGER

The construction of our new bus drive and covered walk-way brought inconveniences, but they were endured during the rain, and everyone enjoyed the finished product.

Mr. Ruddock, representative of W.O.W. presents Mr. White with a new flag, the last to be presented having only 48 stars—the next will have 49 to include Alaska.

DAYS TYPICAL OF SPRING

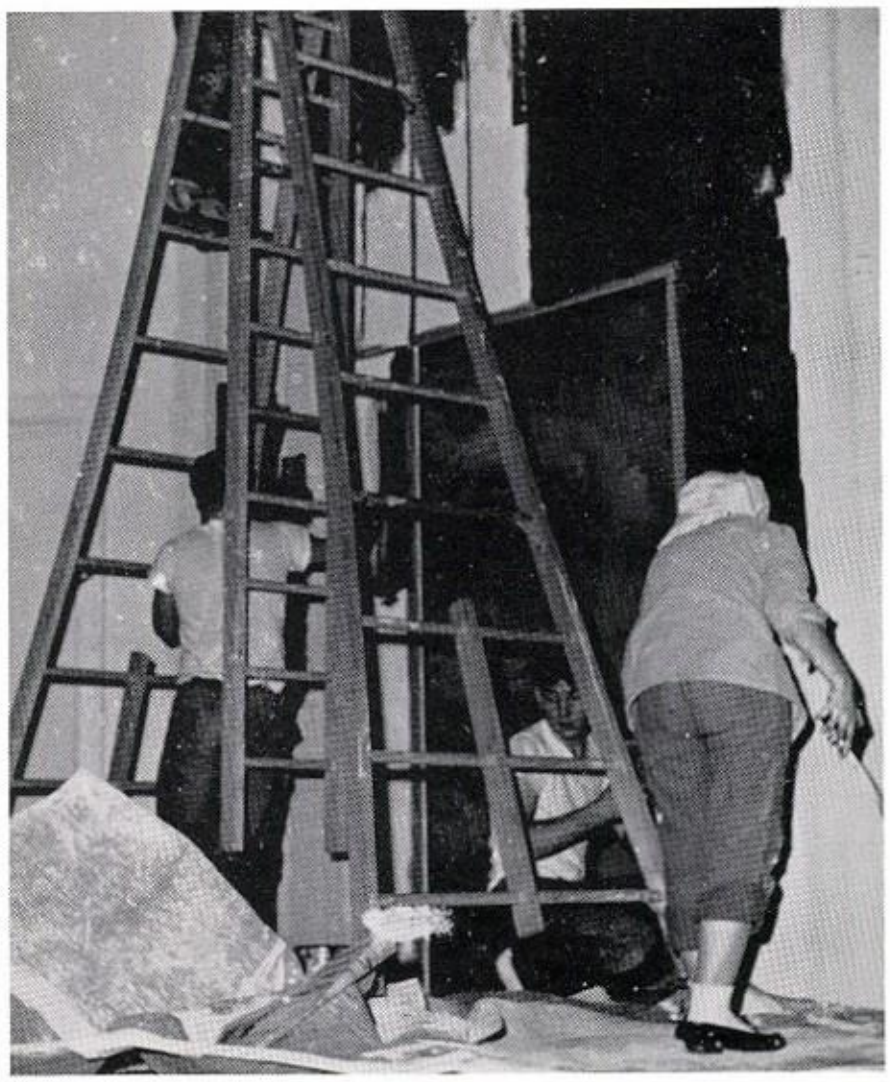
Mrs. Edwards confers with a visitor from Holland, who is representing his country while touring American schools.

Mrs. Reese and Rodney Langer decorate for the Valentine Dance, which was sponsored by the Quill and Scroll.

Mr. Pope helps David Webb, Rodney Langer, and John Morgan as they prepare to compete in the Interscholastic League slide rule contest.

GRADUATION, TESTS, AND TEARS

Spring brings its usual effect, and Kenneth Beck, Carol Ballew, Mack McGowen, and Virginia Pursley "moon" in the library.

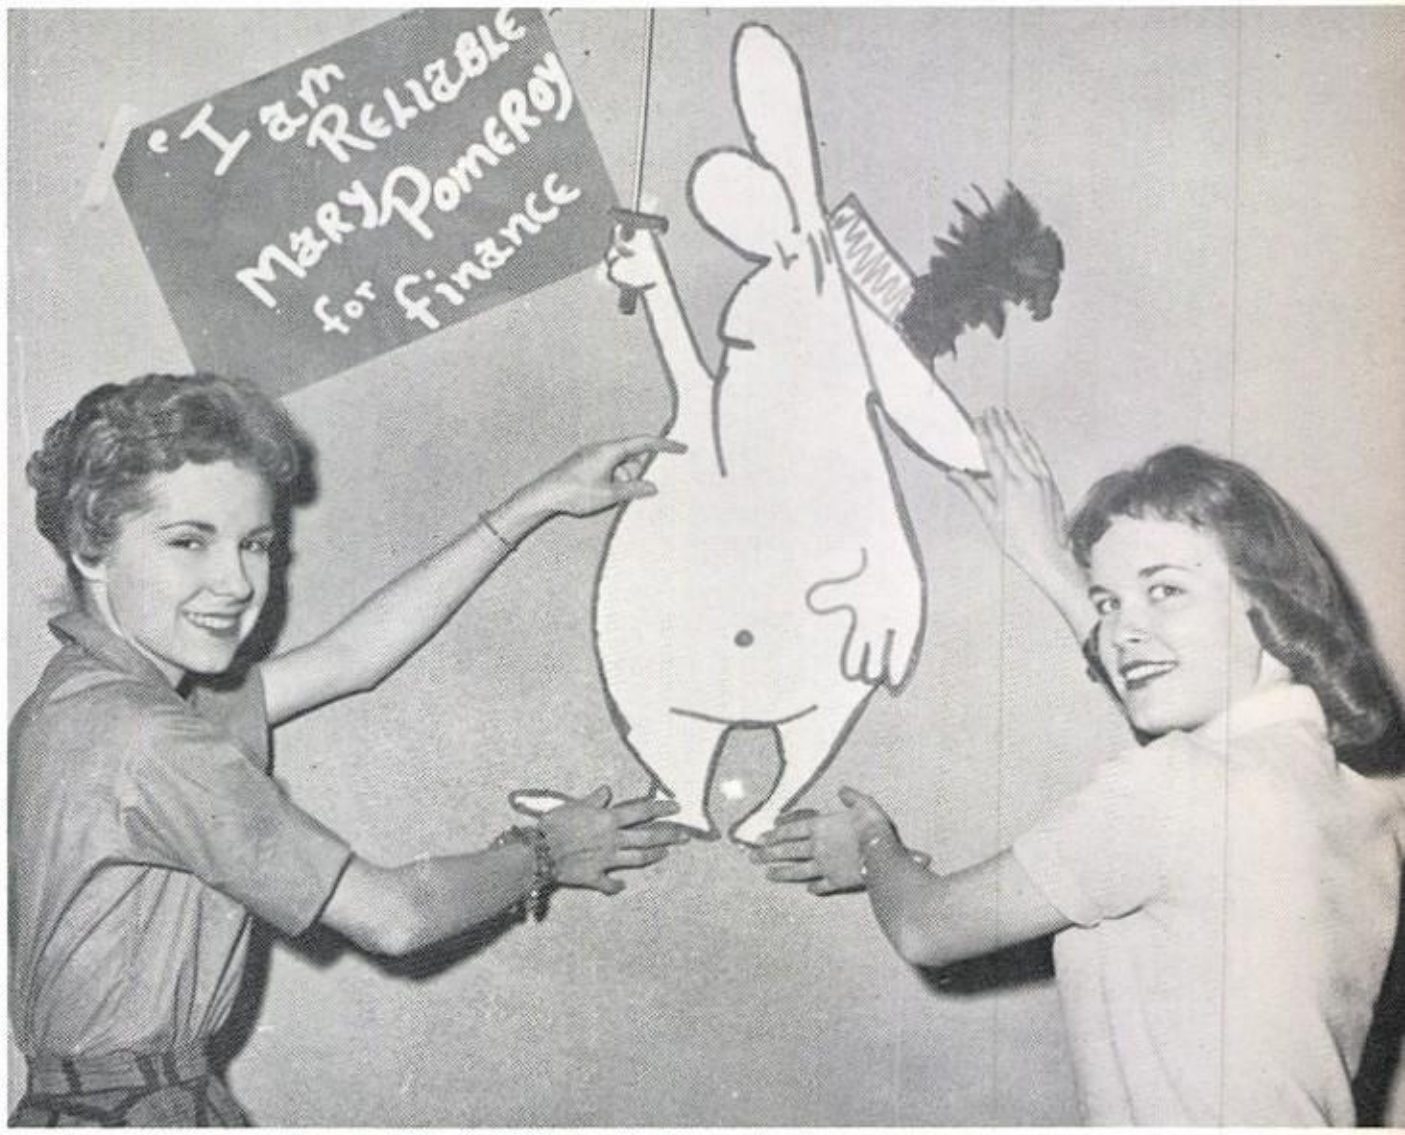


The stage crew for the senior play worked hard and late.

The senior play, "The Happiest Millionaire," was enjoyed by everyone. Members of the cast, Becky Laura, Don Foster, Jimmy Douglas, and Devara Stalarow, help make up each other.

CLIMAX SPRING ACTIVITIES

Student Government Week, which was sponsored by the Rotary Club and the Student Council, brought on another election. Mary Pomeroy and Martha Bozarth aid Mary's campaign with clever Nebbish's posters.



After voting on real voting machines, students learn the results were Mike Reekie, mayor; Billy Stephens, commissioner #3; Mary Pomeroy, commissioner #1; Linda Kimen, commissioner # 4; Patsy Fowler, commissioner #2. Mayor Gary and Councilman Jones watch.

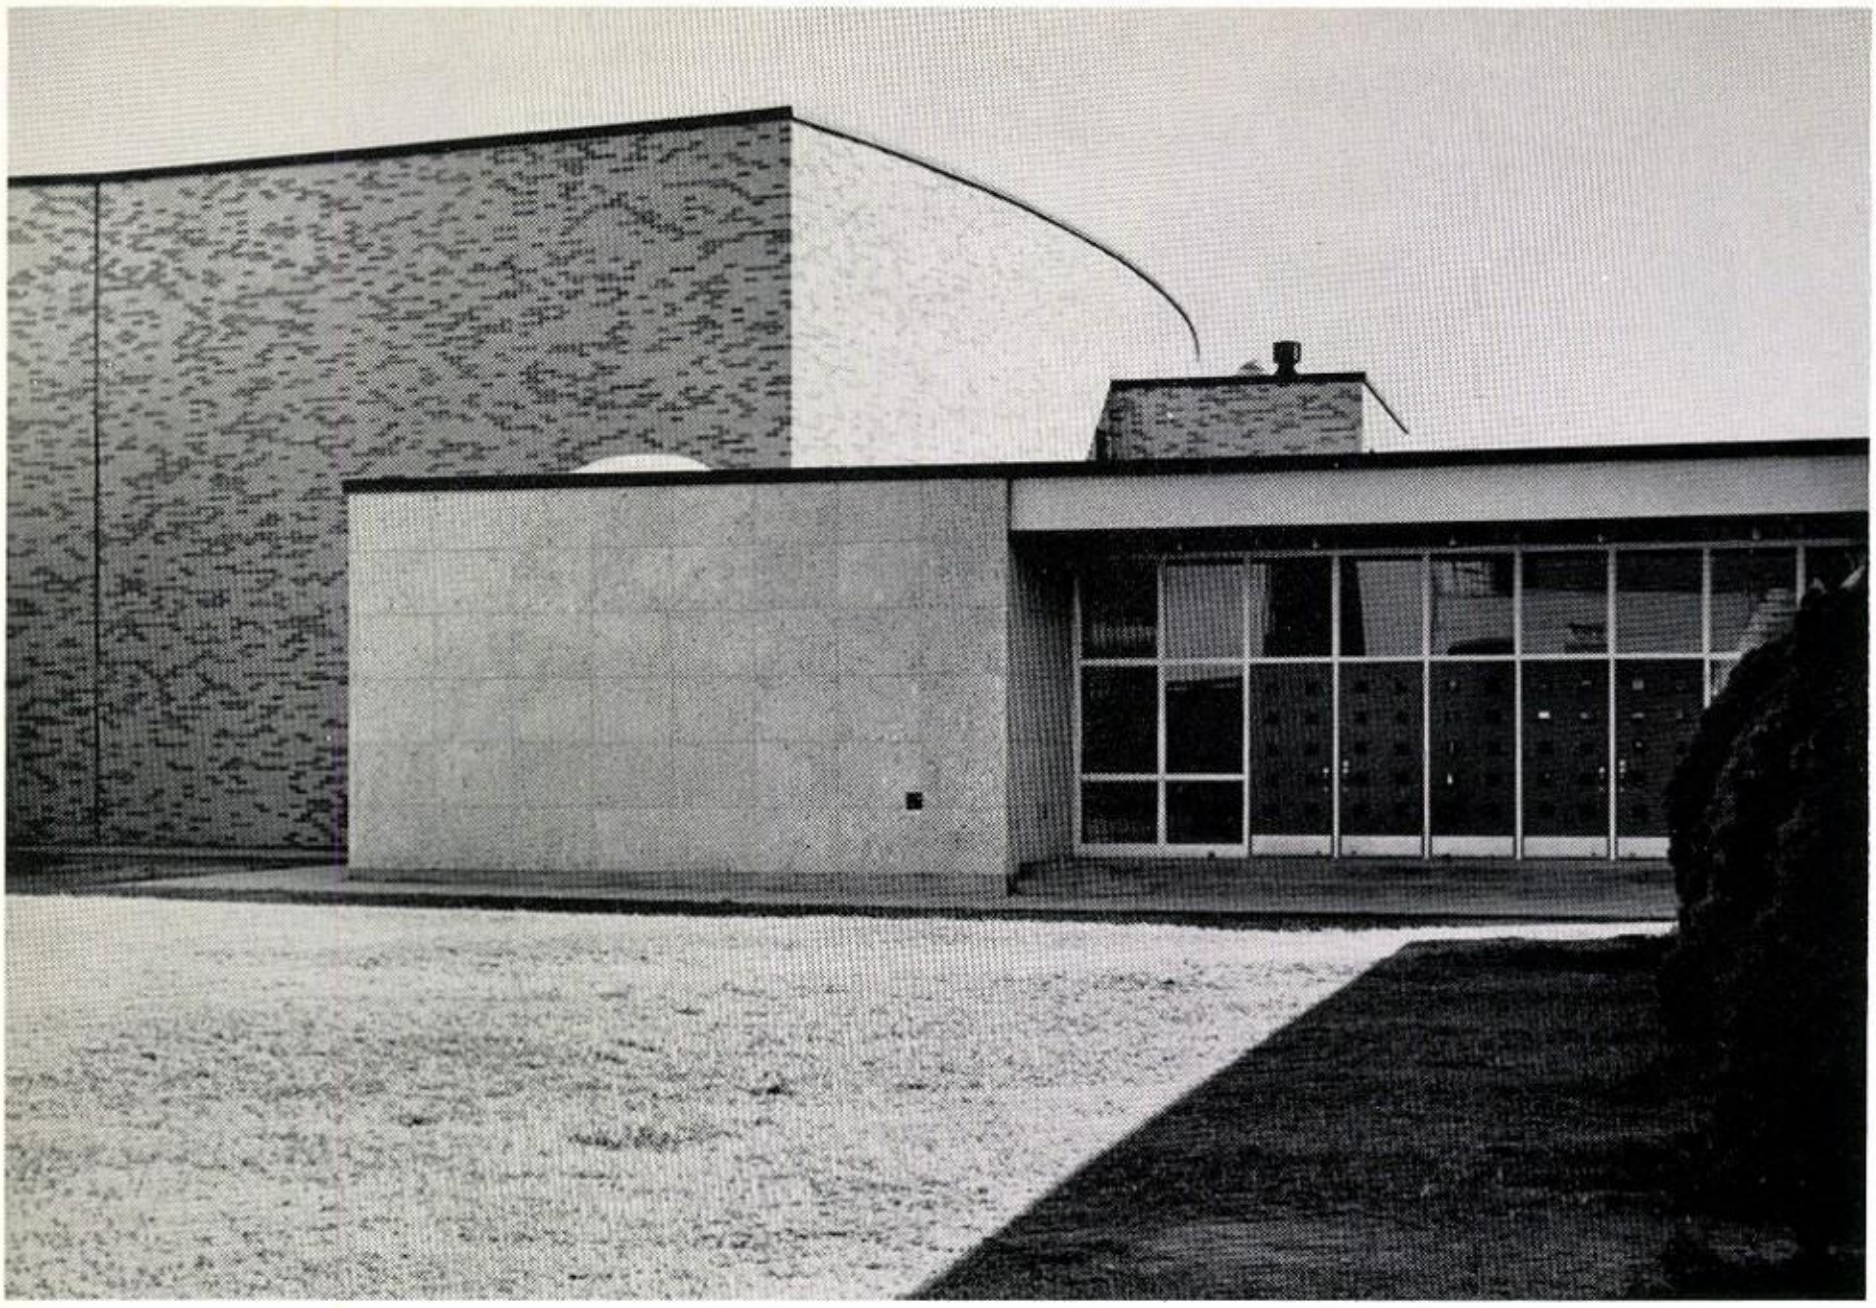
CAMPUS

The campus of Pasadena High School was enhanced by the completion of a new auditorium during the early part of the year and the students used it for the first time in the fall.

Classes are held in eleven buildings situated on fourteen acres in the heart of Pasadena. Apart from the main campus is Eagle Memorial Stadium and Field House.

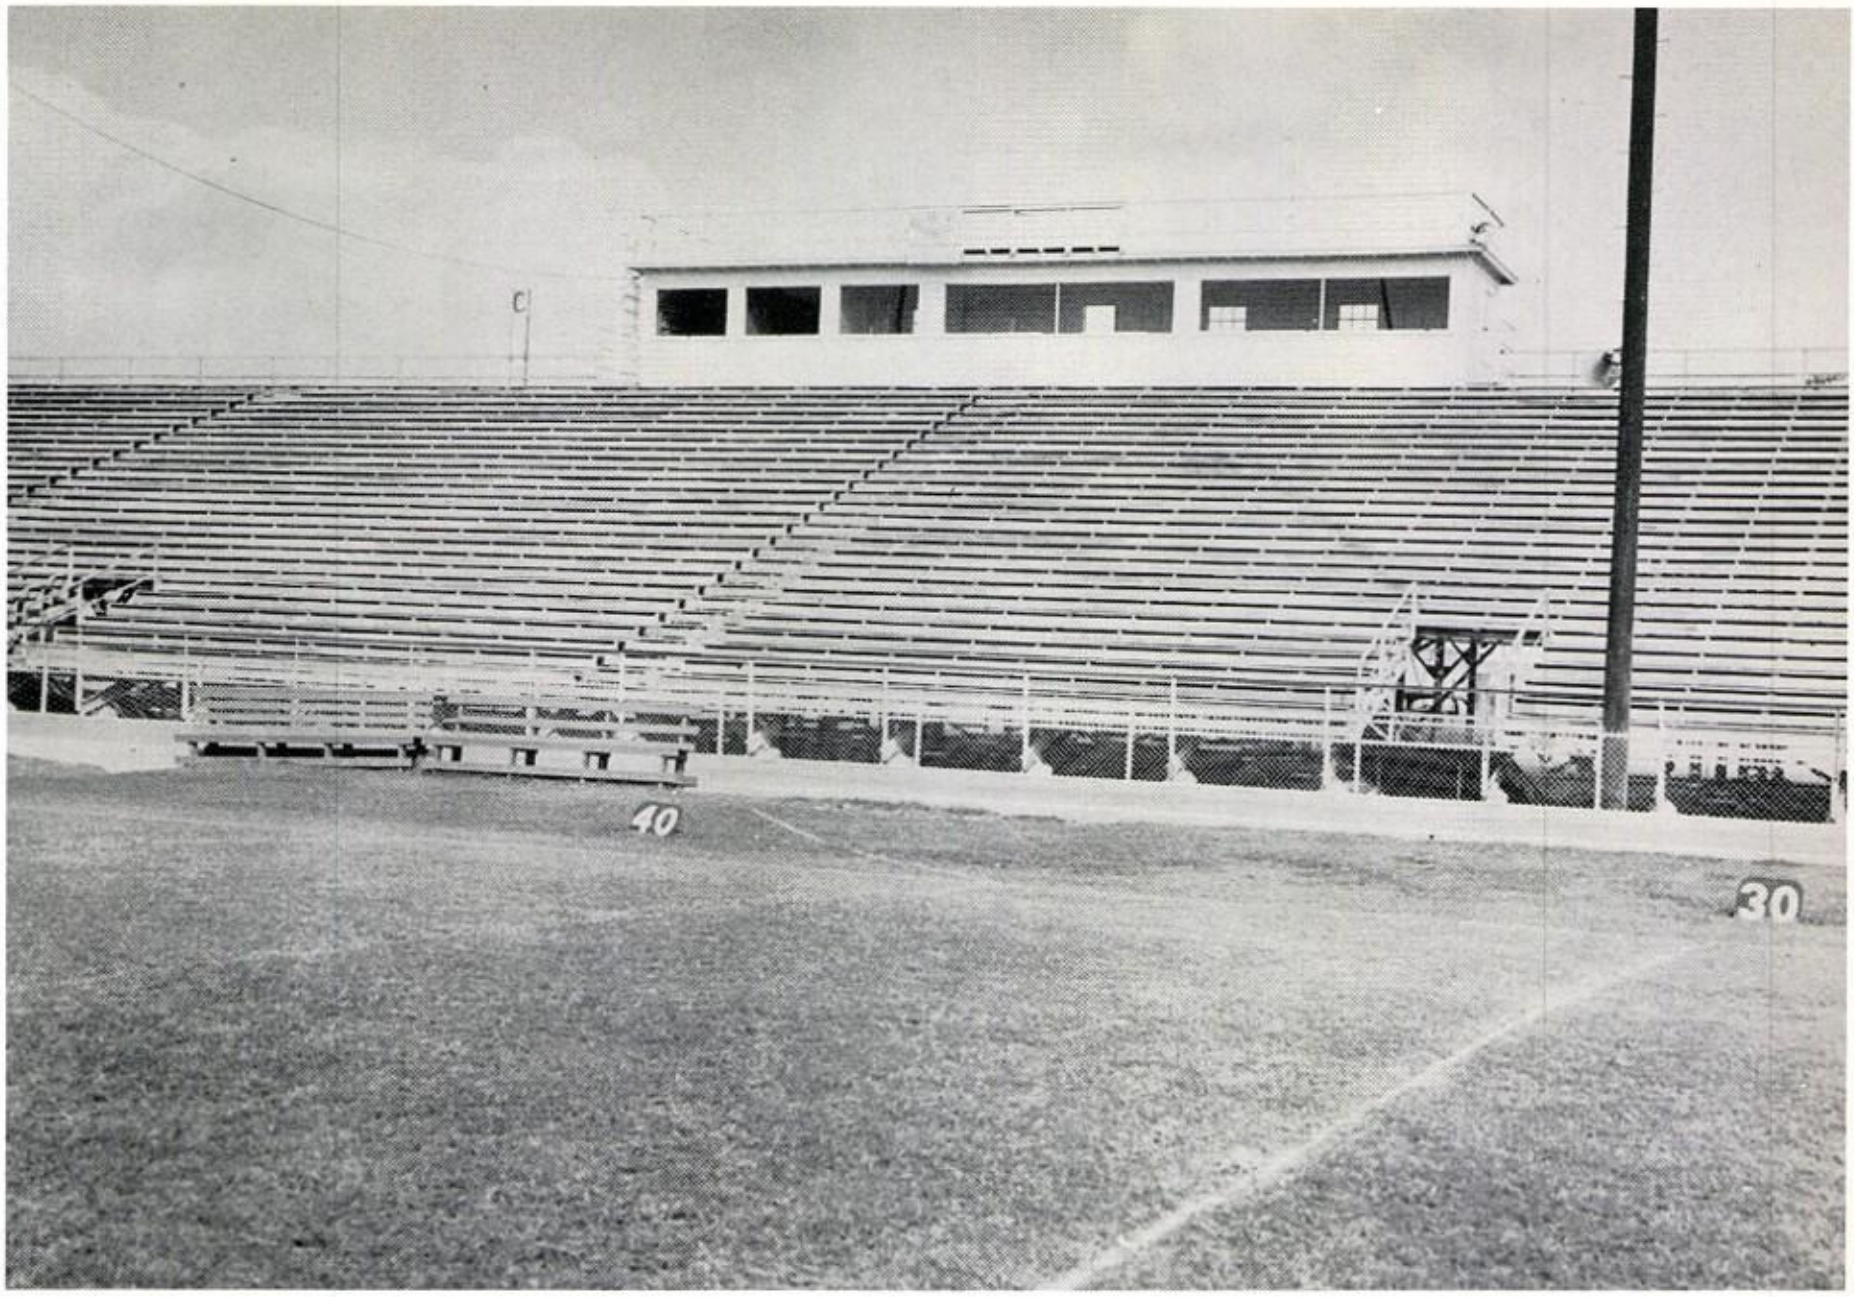


AUDITORIUM

The new 1200-seat, air-conditioned auditorium, completed and dedicated this year, is the fulfillment of several years work and planning by school administrators and Pasadena citizens.

Spacious and beautiful, it answers the needs of the school and community for civic and cultural activities.

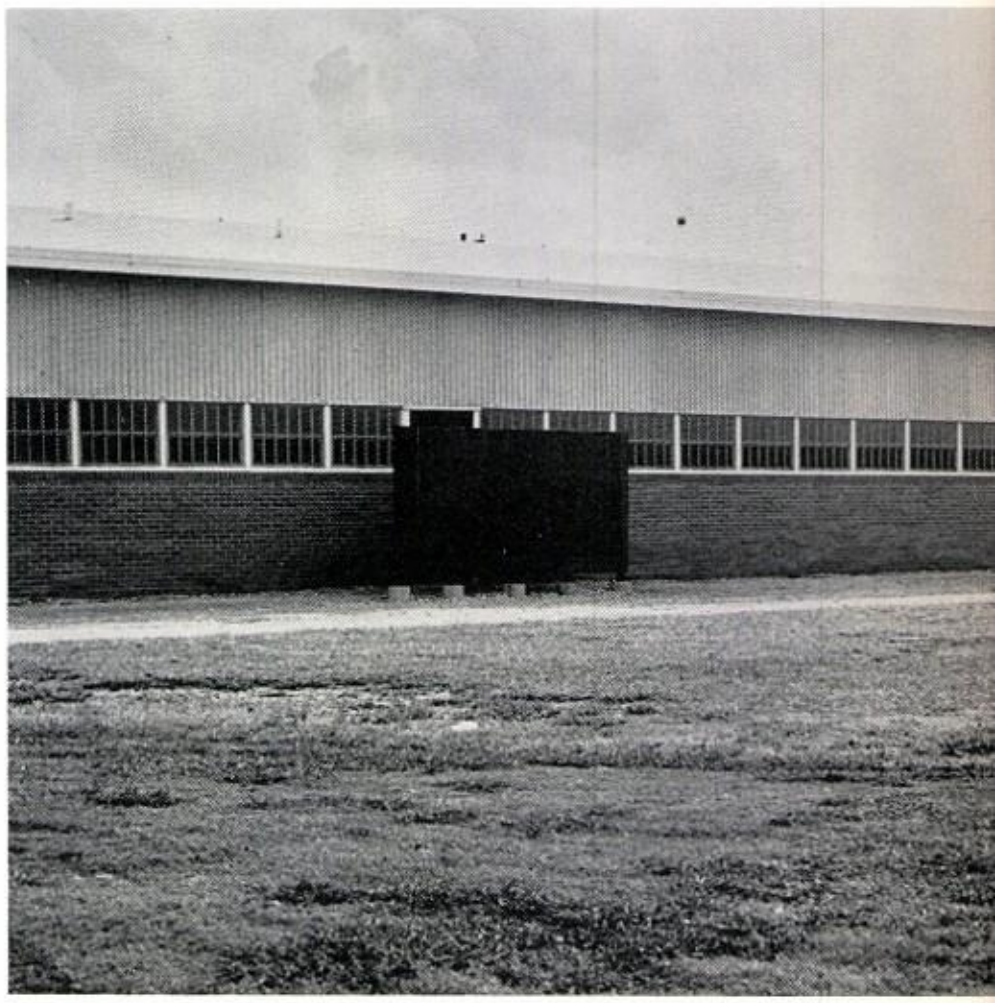
The foyer of the auditorium is used as a student lounge before school and at noon and as a meeting place for student organizations.

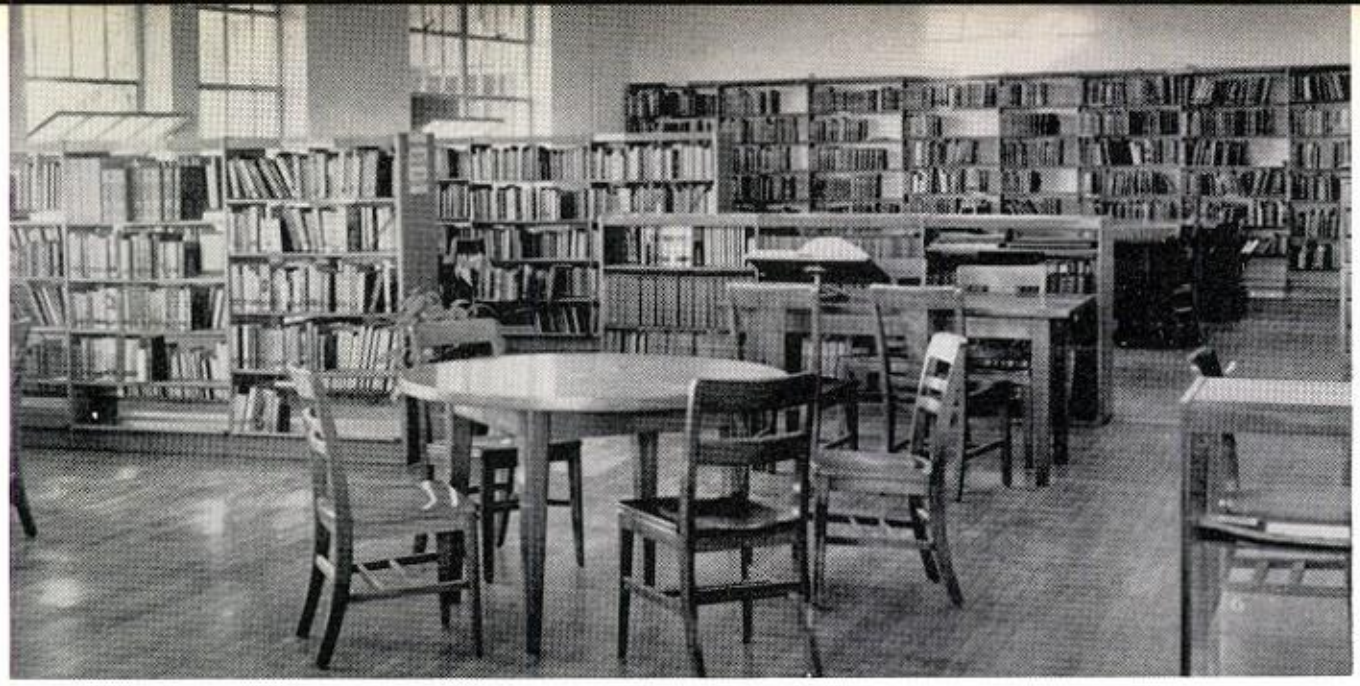


EAGLE MEMORIAL STADIUM

Eagle Memorial Stadium was erected in 1949; it accommodates 12,000 people and each fall is used for all football games played in the district. In the spring, track and field meets are held here as well as graduation exercises.

Adjacent to the stadium are the baseball diamond and athletic field house.





THE LIBRARY

The Library, containing some 7000 volumes, is a research center offering a wide selection of books, periodicals, and reference material to students.

The Library occupies the west side of the Administration Building and is used for faculty meetings and other teacher groups.

THE BAND HALL

The Band Hall is located in the center of the campus and is the hub of much activity for members of the band.

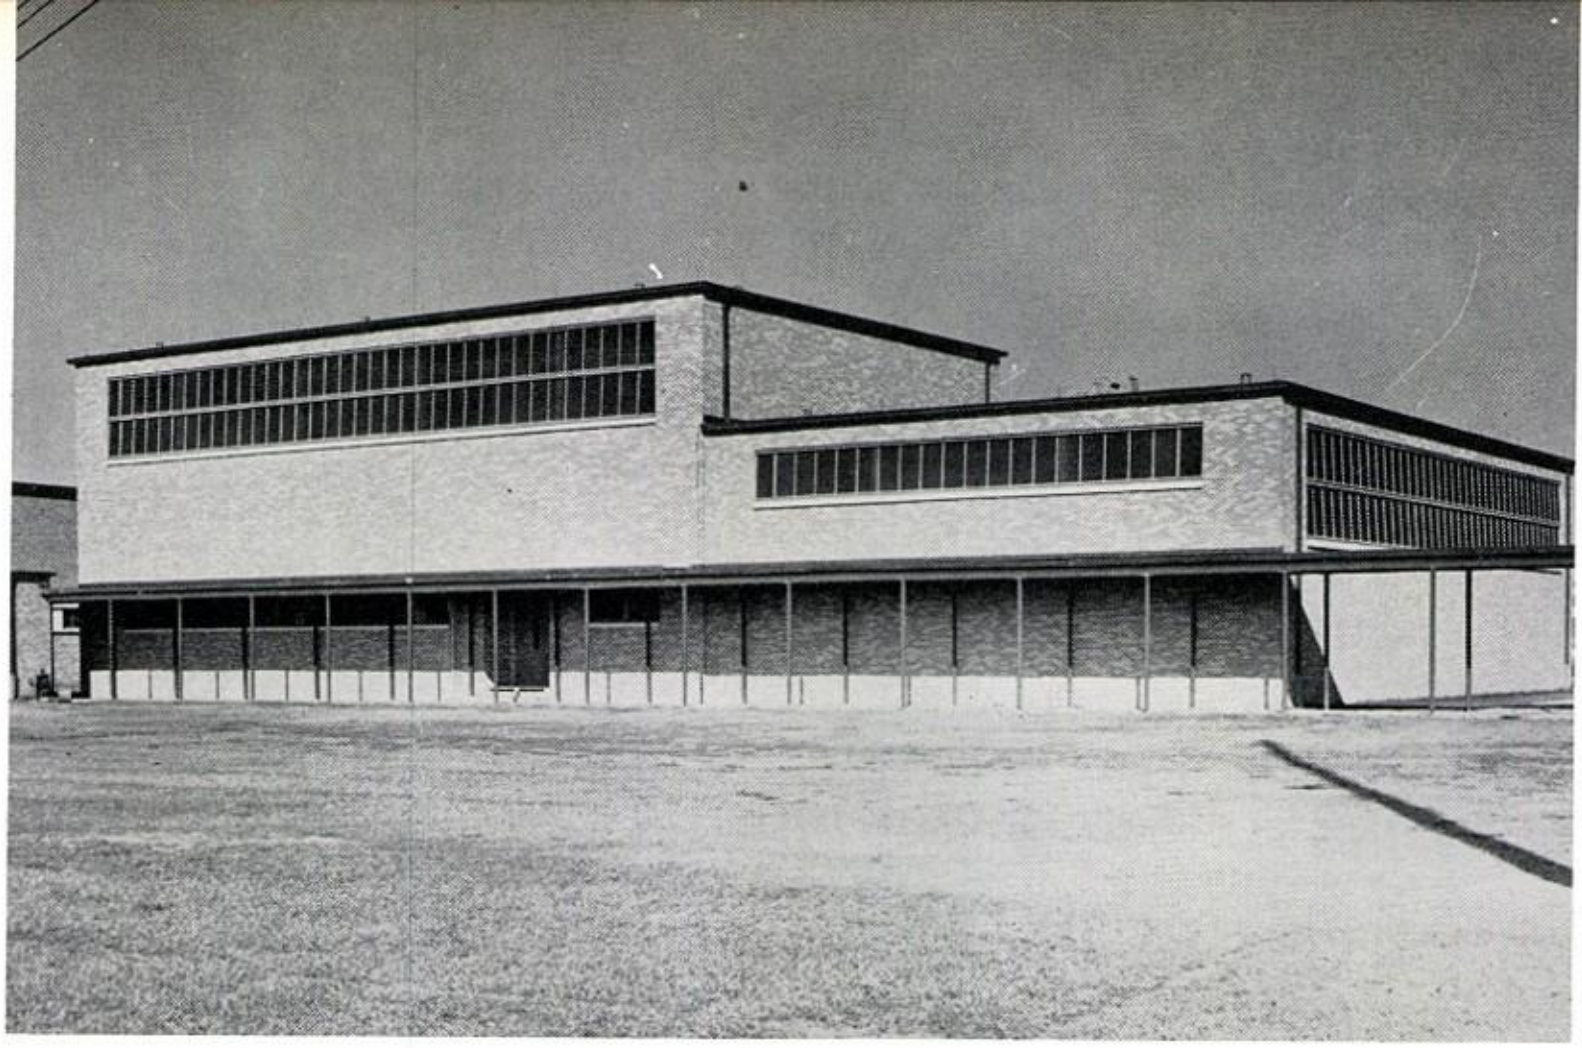
From early morning hours to late night students can be found practicing music, planning drills, and just meeting and talking for pleasure.

THE HOME ECONOMICS COTTAGE

The Home Economics Cottage is a model five-room house with two large laboratories for sewing and cooking classes.

Equipped with modern home appliances for instructional purposes, the cottage helps turn out competent future homemakers.

The living and dining rooms serve as a place for small receptions.



NEW GIRLS' GYM

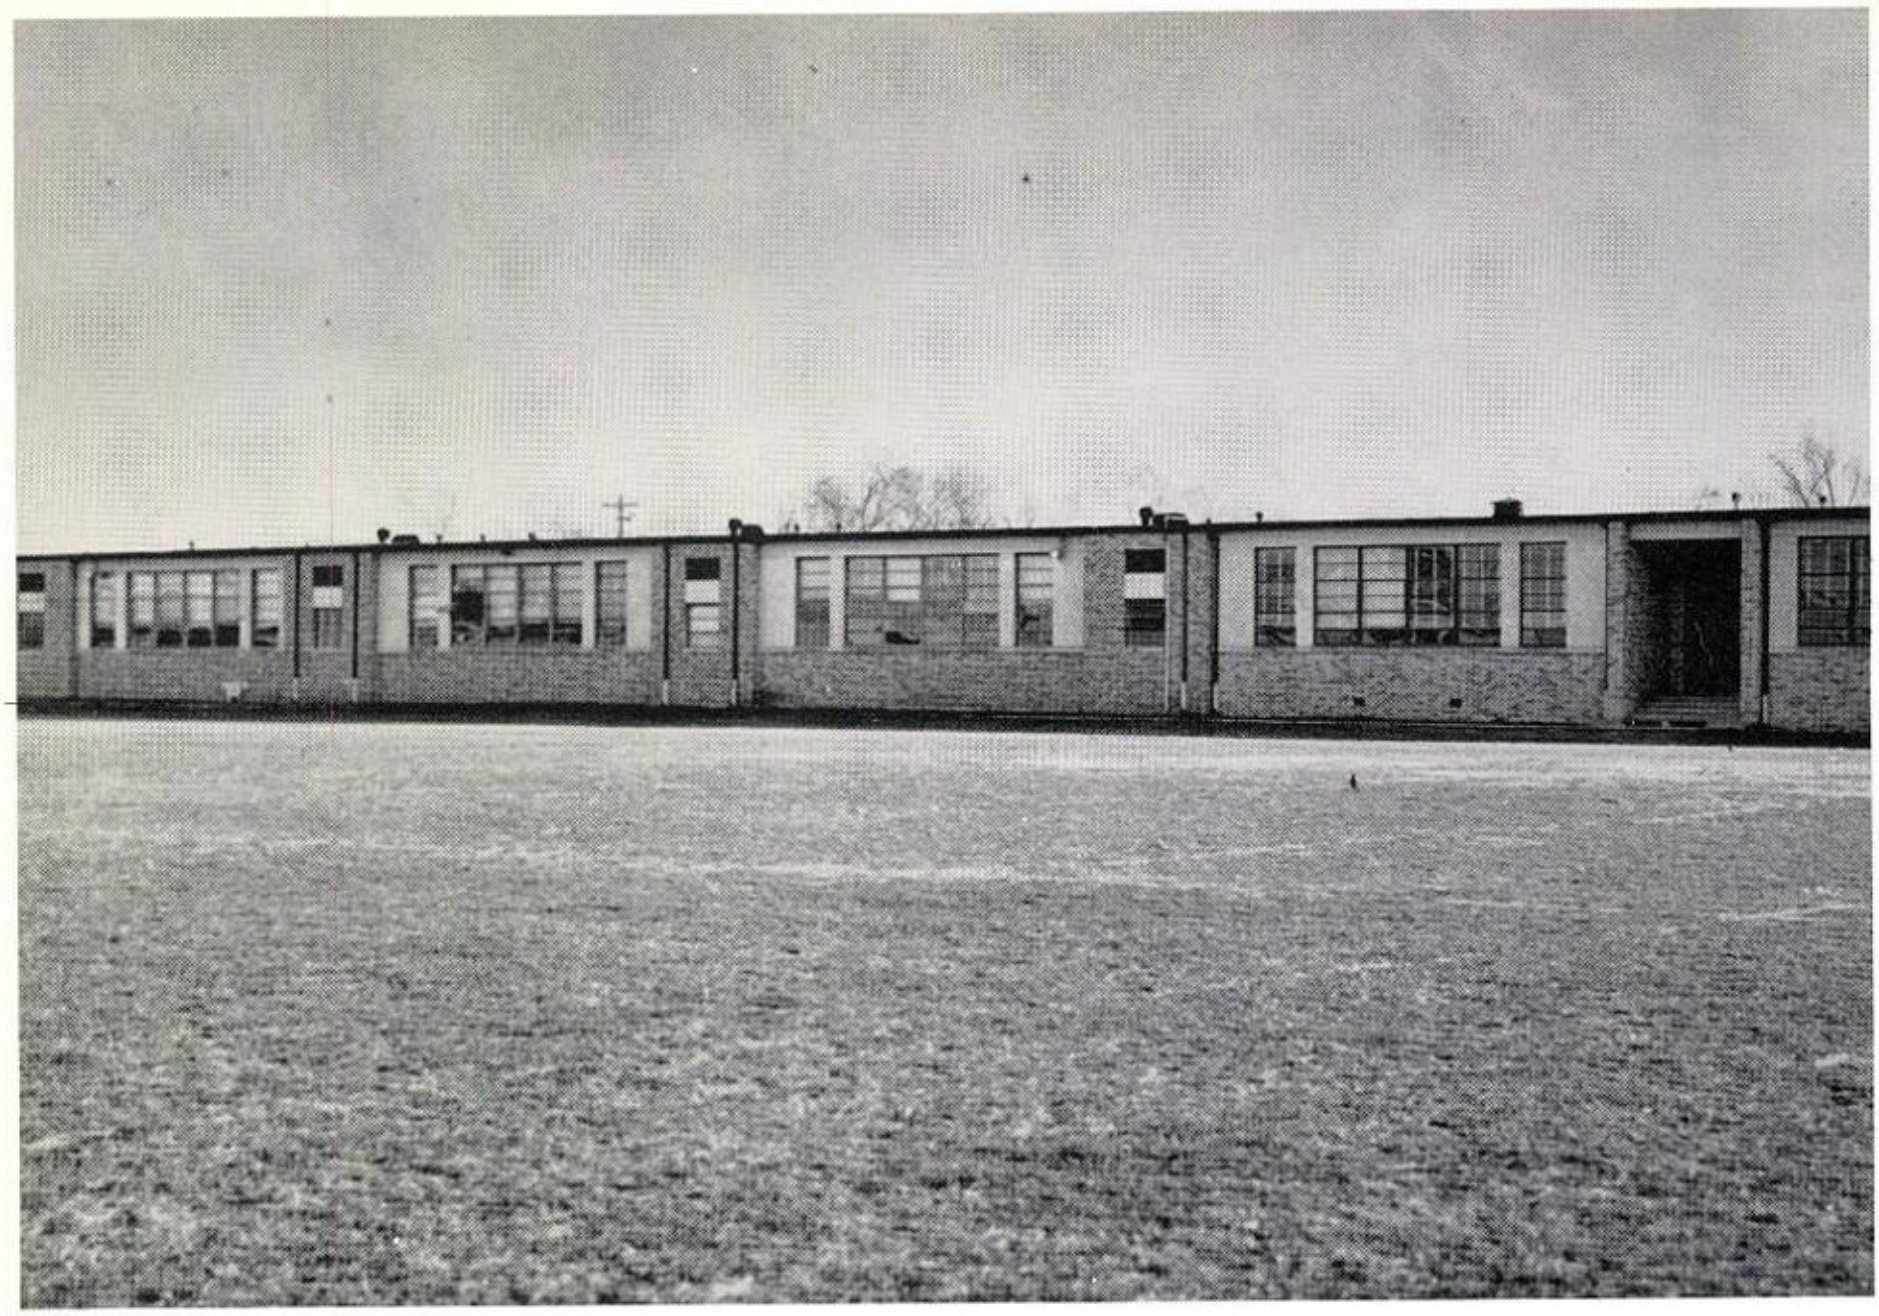
The New Girls' Gym is only one of two gymnasiums used for girls' physical education classes and intramural contests. It is two storied and has ample room for several activities at the same time.

High school proms and game parties are frequently held in this building.

BOYS' GYM

The Boys' Gym forms one corner of the campus quadrangle. In addition to regular classes basketball tournaments are held in this gym.

During the fall it serves as the scene of pep rallies and oversized assemblies.



THE SCIENCE BUILDING

The Science Building forms the south side of the quadrangle. One of the newer buildings on the campus, it houses all natural science classes in addition to choral music, art, and speech classes.

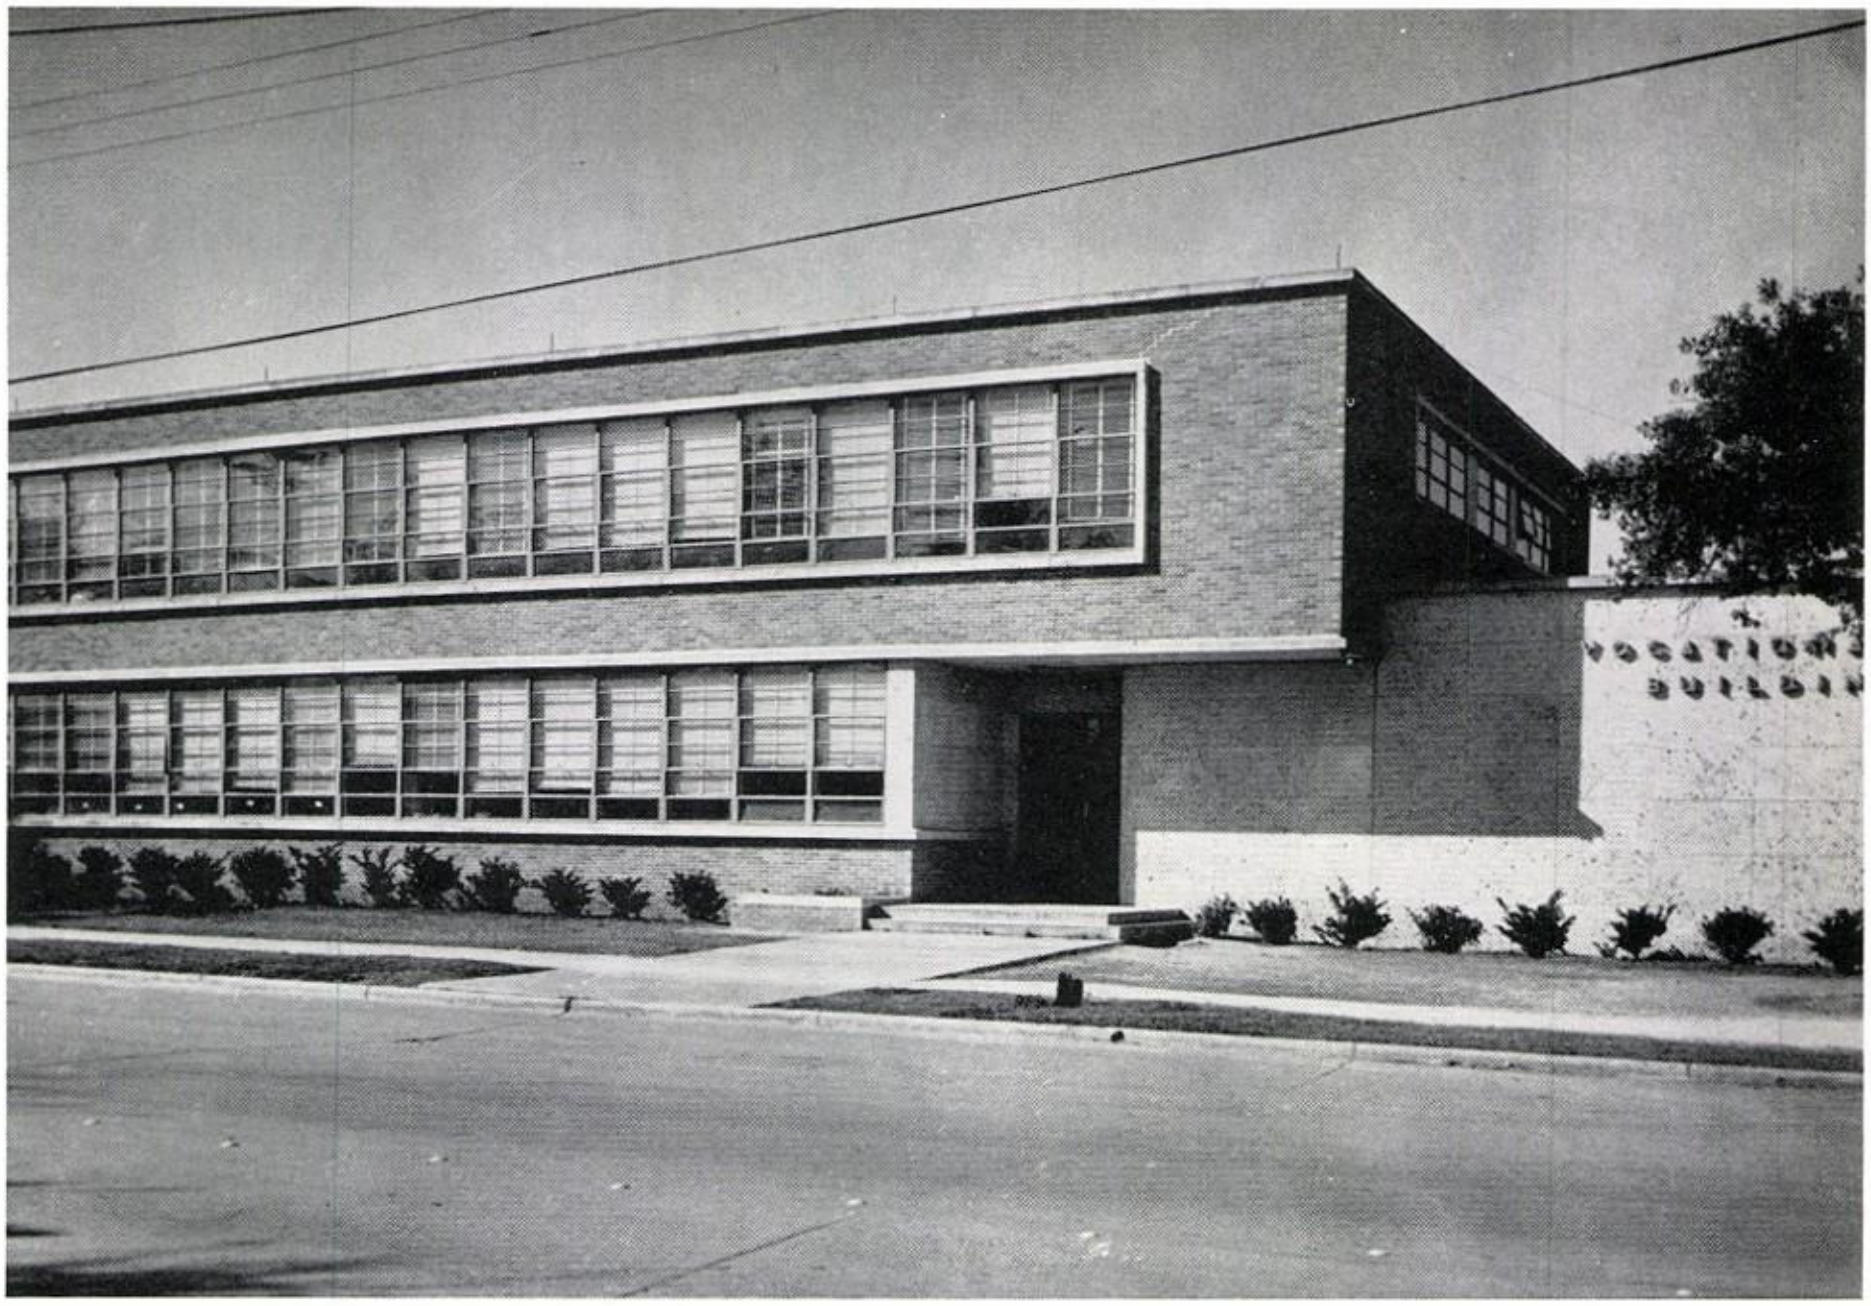
Students will remember the fumes of hydrogen sulfide blending with the strains of *Ave Maria* as they walk down its halls.

MAIN BUILDING FOYER

Since 1924 Pasadena High School students have entered this familiar entrance to the Main Building.

Bare of any decoration in the early years, succeeding classes and graduates have added the trophy case, the international time clock, and the painting of the eagle on the wall.

Soon to be demolished, the Main Building will live in the memories of ex-students as the focal point of the campus.



THE VOCATIONAL BUILDING

The Vocational Building which is one of the largest buildings on the campus has eleven classrooms, six vocational shops, and the vocational offices.

Used primarily for technical and vocational classes for undergraduates during the day, it is also used for Adult Night School.

NEW WING ENTRANCE

A familiar sight to students for some four years is Old Baldy gracing the entrance to the New Wing. Old Baldy usually changes the color of his suit with each succeeding football game, only to end up green and white at the end of the football season.

The New Wing houses classes in Language Arts and Social Science.

Never! No never will she

lose her fame...

ADMINISTRATION

Growing with the student body is the staff of administrators, supervisors, directors, and teachers of Pasadena High School. Striving to improve themselves so as to meet the needs of their students, the teachers work toward higher academic levels, lighter class loads, and enriched programs of study.

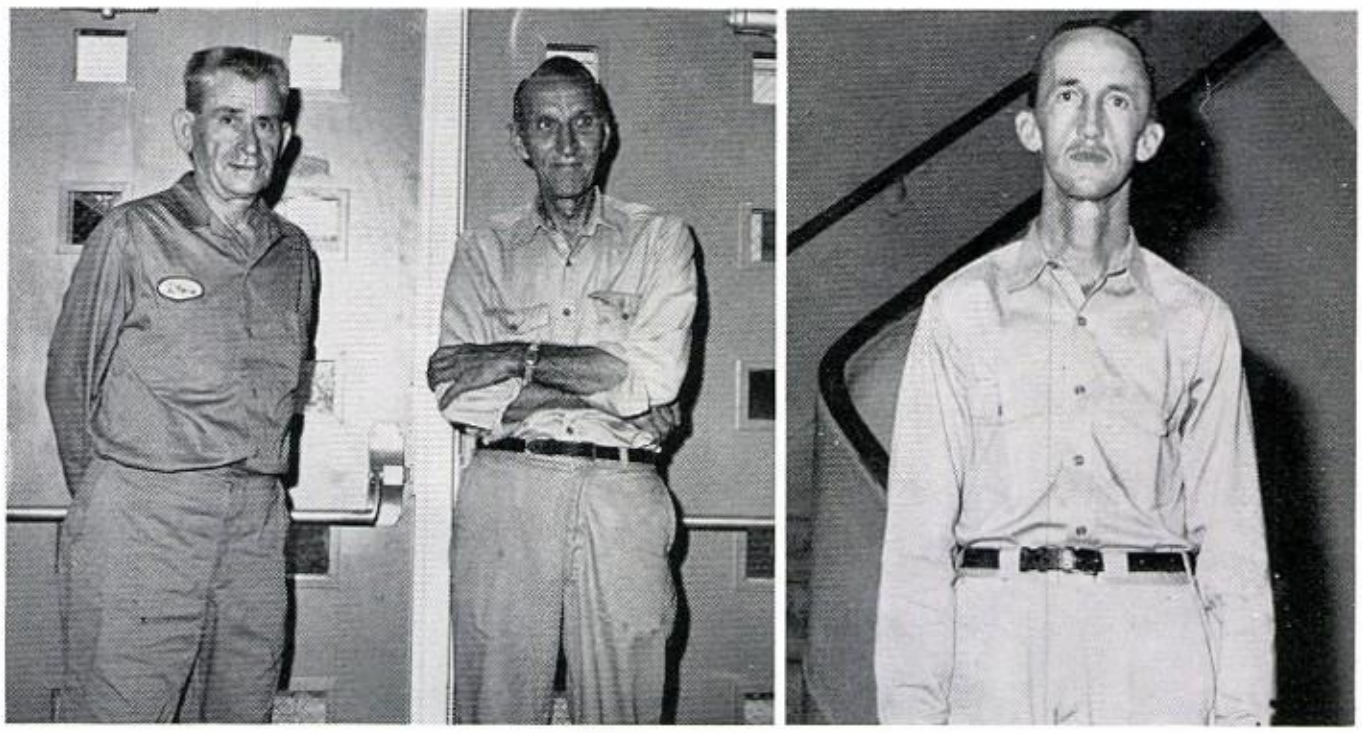
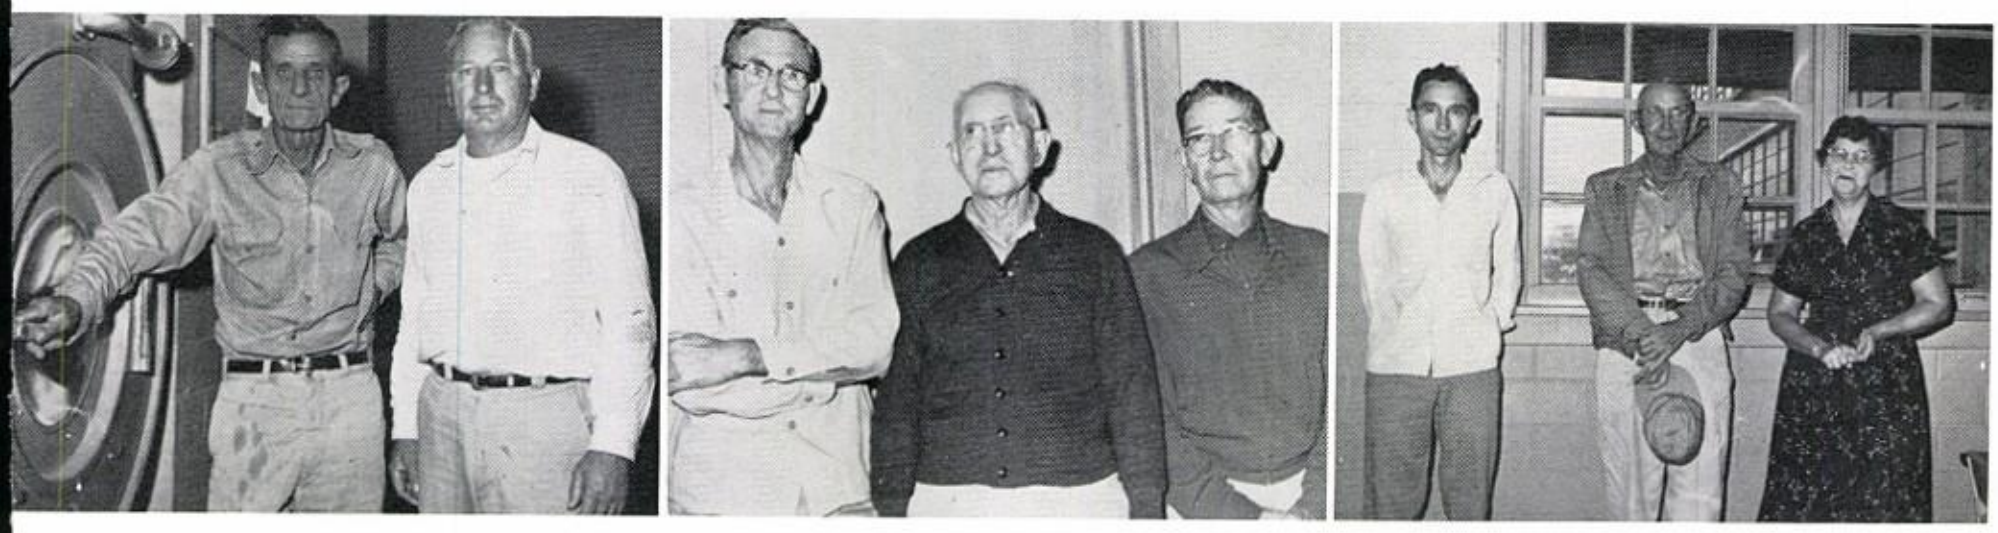
CAFETERIA LADIES AND CUSTODIANS

Students at PHS are required to remain on the campus at lunch and all meals are taken at the cafeteria. Some 1200 students are served lunches by the cafeteria staff each day.

Custodians work both day and night shifts in order to maintain the plant. Classrooms are used almost continuously so that the schedule for cleaning them must be adhered to rigidly.



Head custodian Mr. L. T. Stone and Custodians W. J. Bock and Dale Gunter.



CUSTODIANS: G. W. Collier, I. J. Rohne, G. W. Peace, N. A. Todd, C. T. Arnold, Grady Bagley, J. H. Smith and Mrs. J. H. Smith.

PERSONALITIES

The *Pasadenian* is proud to recognize students who because of p o p u l a r i t y, beauty, academic achievement, athletic accomplishment, or any desirable characteristic are outstanding among the student body.

Each of the following personalities is featured both for his own accomplishment and as a representative of the group so characterized.

Miss PHS

Vivian Fincher

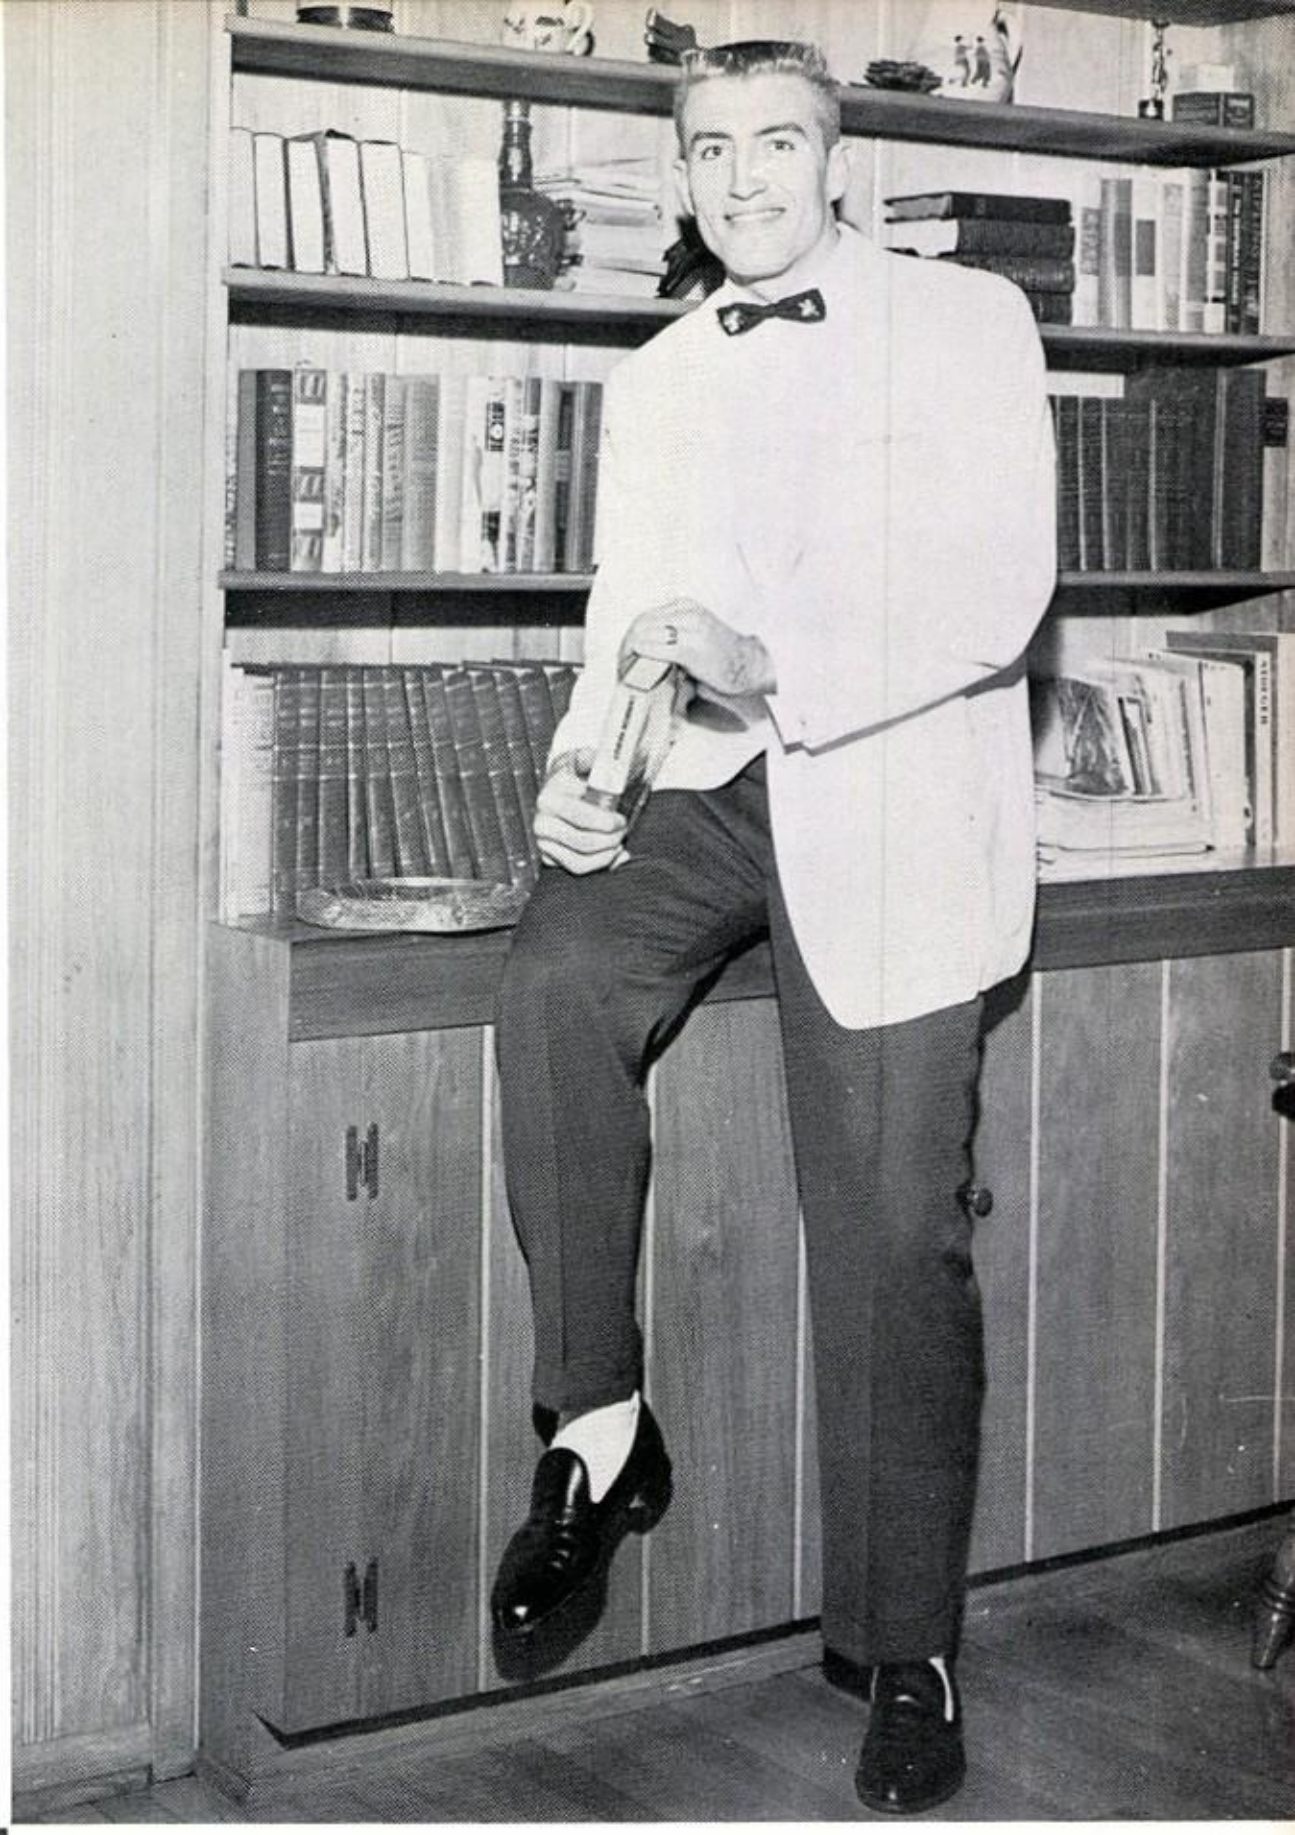
Vivian Fincher was chosen by the student body as the girl who had contributed most to the school during her high school career and who was most representative of Pasadena High School femininity.

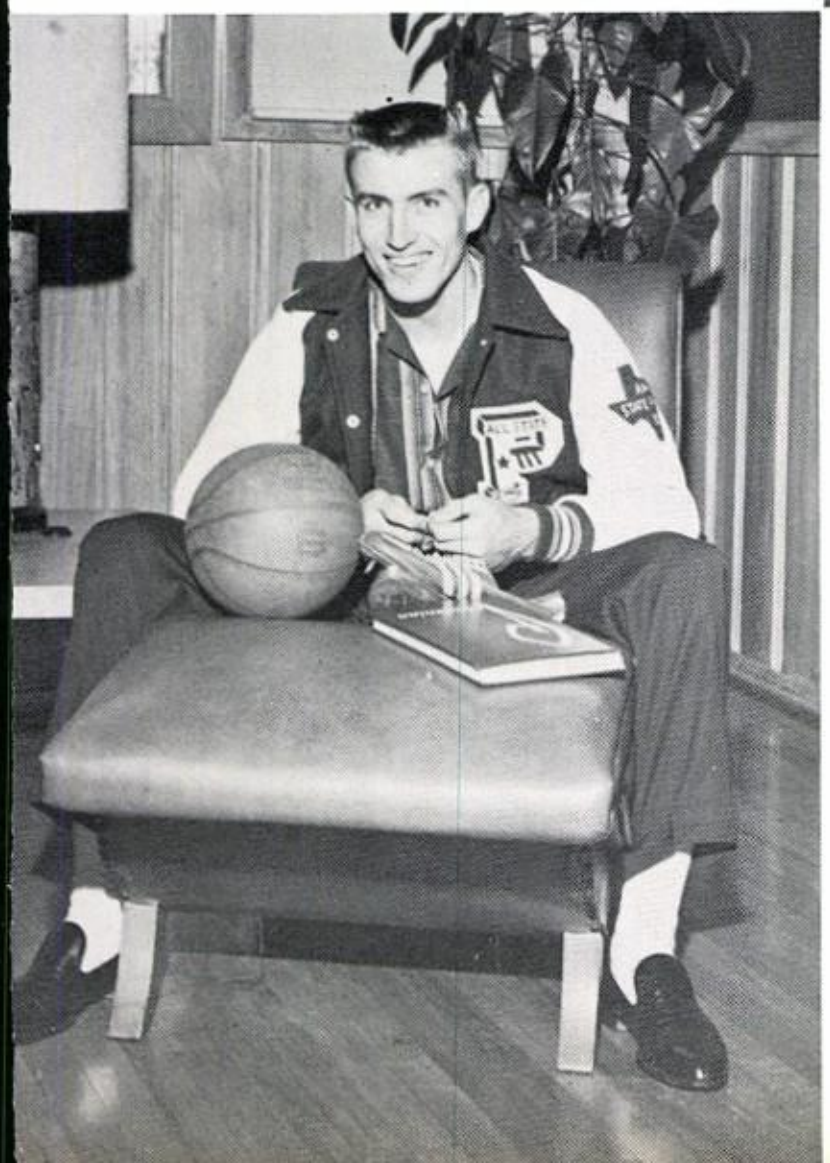
Sweet and soft spoken with a sly sense of humor, Vivian is friendly and unassuming by nature.

She was a member of the A Cappella Choir, president of the Girls' Recreation Association, and features editor of THE PASADENIAN Staff.

Mr. PHS

Carl Choate



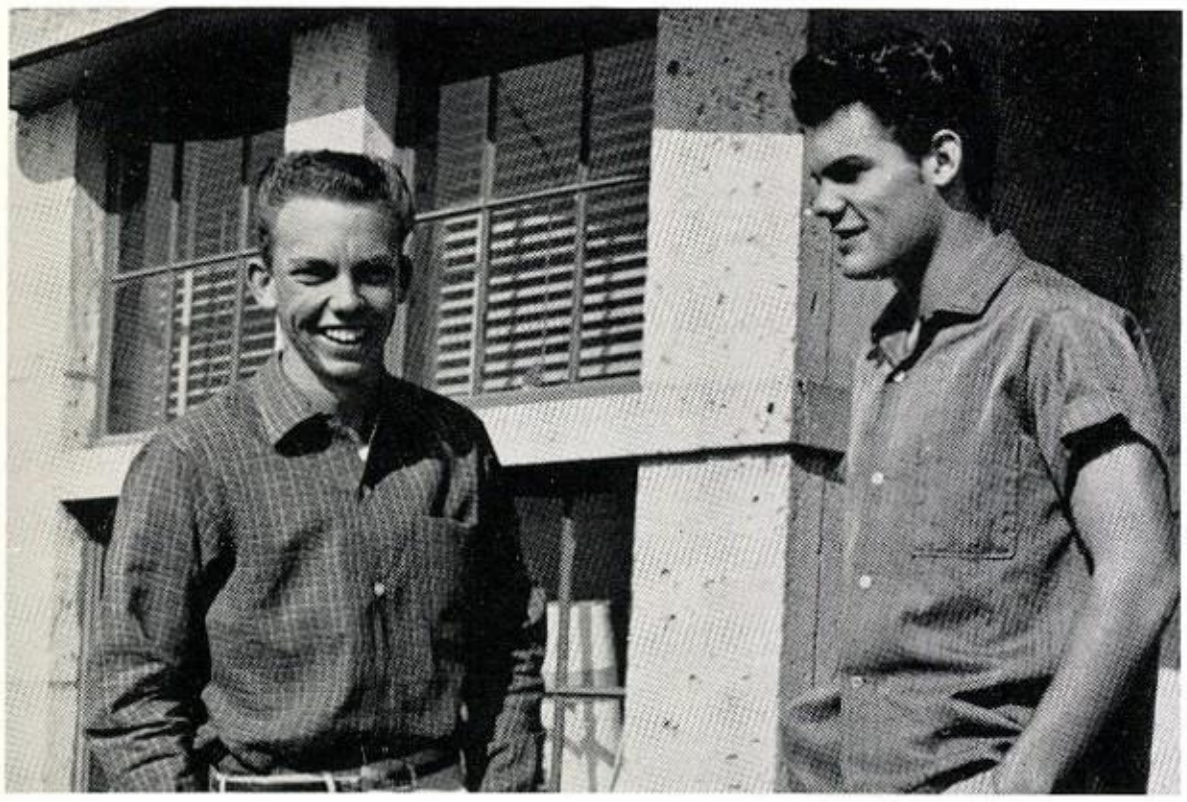


Carl Choate, who is idealized by a vast number of students, contributed to the school in a wide range of activities.

Friendly and jovial, Carl is respected for his sense of fair play and team spirit.

During his high school career, Carl has been a member of the 1957 State Championship Track Team and a team member for three years; a member of the 1958 District Championship Basketball Team and a three-year letterman; a tri-captain and All-State and All-American End on the 1958 State Finalist Football Team; and a three-year letterman; a member of the National Honor Society; and sports editor on THE PASADENIAN Staff.

WHO'S WHO AT PHS



Governing our Student Body were John Morgan, president and Billy Stephens, vice president.

The Who's Who Section of the yearbook is composed of those students who have achieved honors or distinction from one date of publication to the other.

These students are representative of that elite class of students who have brought and offer promise of future fame for PHS.

Anita Heichelbech, Patsy Fowler, Toni Mensing, and Carolyn Smith were selected by the faculty as Rotary Anns. Not pictured is Babs Kelley.

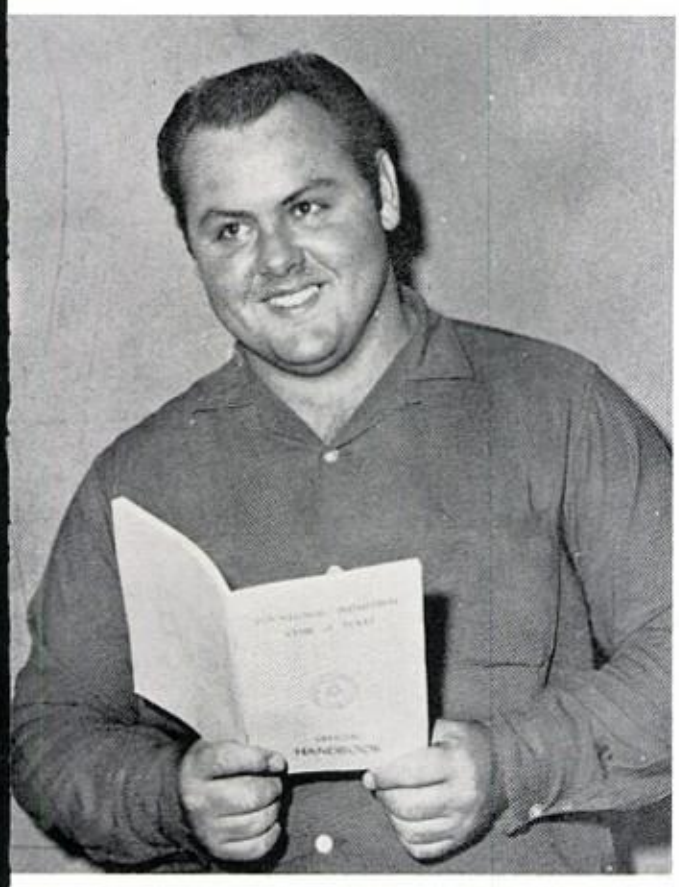
Sandra Newton was top-ranking Sophomore in 1957-58.

Diana Henckel represented Pasadena High at Girls' State and Jimmy Bunkley, at Boys' State.

From District III of the Vocational Industrial Club, Sammy Davis was elected as Treasurer.

Frances Russell placed in the District typing contest.

STUDENTS BRING FAME TO SCHOOL



Lester Huggins was elected Sergeant-at-Arms of District III Vocational Industrial Clubs.

Harold Martin and Dean Mechling made the All-State Band and Sara Tucker, center, made the All-State Orchestra.

WHO'S WHO

Gaythal Holland, Raymond Klores, Cyler Thompson won 2nd place in Junior Farm Skills of Area III in F.F.A.

Willie Lively, Joe Woodland, and Alec Cockrell won 2nd place in Senior Farm Skills of Area III in F.F.A.

Kay Reeves, winning the local Job Interview Contest, qualified for the State contest held in Fort Worth on February 26.

Jane Lazenby won a full scholarship to Durham Business College.

Patsy Fowler and Carl Choate are seen comparing their report cards. They are the only two seniors making all A's from the ninth grade to mid-term of their senior year.

Toni Mensing was selected for the D.A.R. Award of the year.

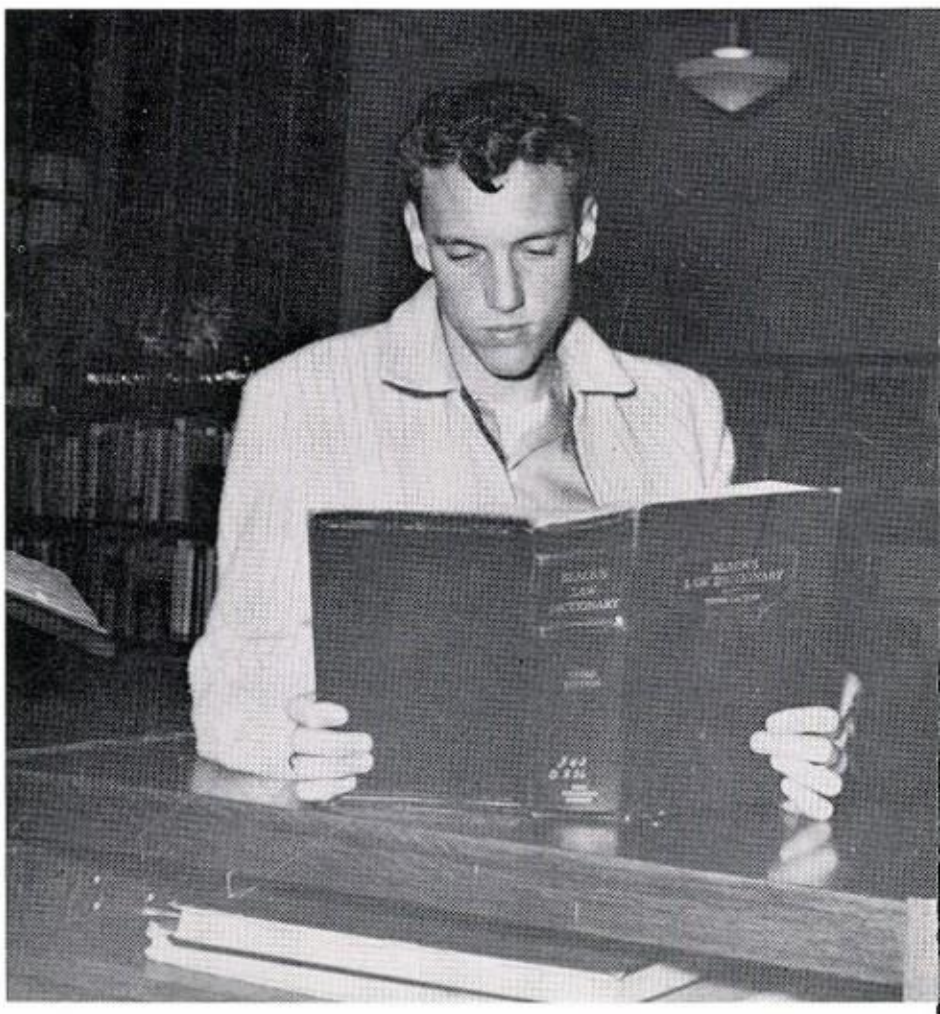
The finalists for the Champion scholarship were June Turner, Mike Reekie, and Ellen Ford. Not pictured were David Copeland and Charles Hickerson.

Peggy Borden won the local Salesmanship Contest in D.E. and qualifies for State job interview contest. test.

WHO'

Students having essays published in *The National Essay Anthology* were: FRONT: Ann McCloud, Diana Henckel, Patsy Fowler, Nancy Williams, and Linda Kimen. BACK: Honey Moore, Sandra Hooker, Leonard Faseler, Jerry Usrey, Mike Davis, James Bunkley, and Judy McCormick.

Students qualifying for the Merit Scholarship Award Exam were Patsy Fowler, Jerry Usrey, Walter Taylor, Leonard Faseler, and Reagan Ainsworth.



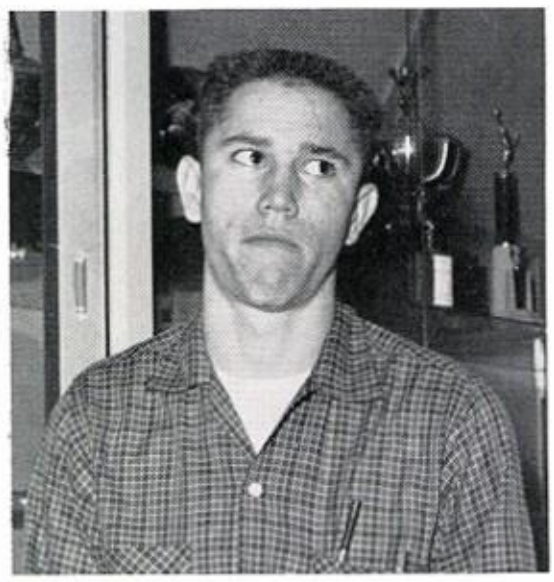
Buck Hammond was elected Senator to Hi-Y Youth and Government Legislature held in Austin, Dec. 11.

Football players named to all-district teams were David Webb, Herman Shelby, Archie Peterson, Lawrence Broussard, Mike Reekie, Bobby Crenshaw, Carl Choate, and Randall Kerbow.

WHO

Toni Mensing and Honey Moore were selected to attend math classes at Rice and chemistry classes at U. of T., respectively, during the summer before their senior year.

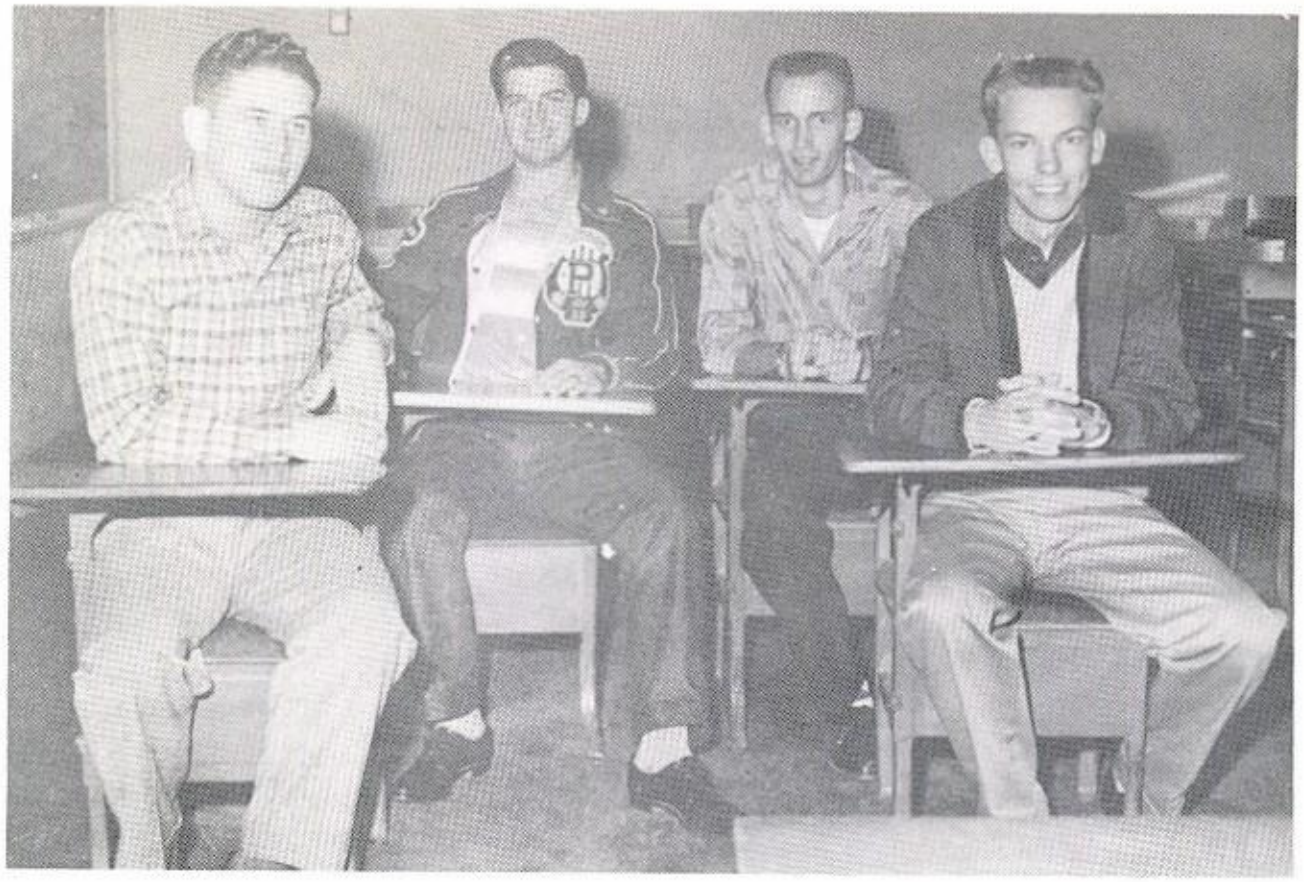
Loretta DeFreese was elected secretary of the Texas Association of Future Nurses.



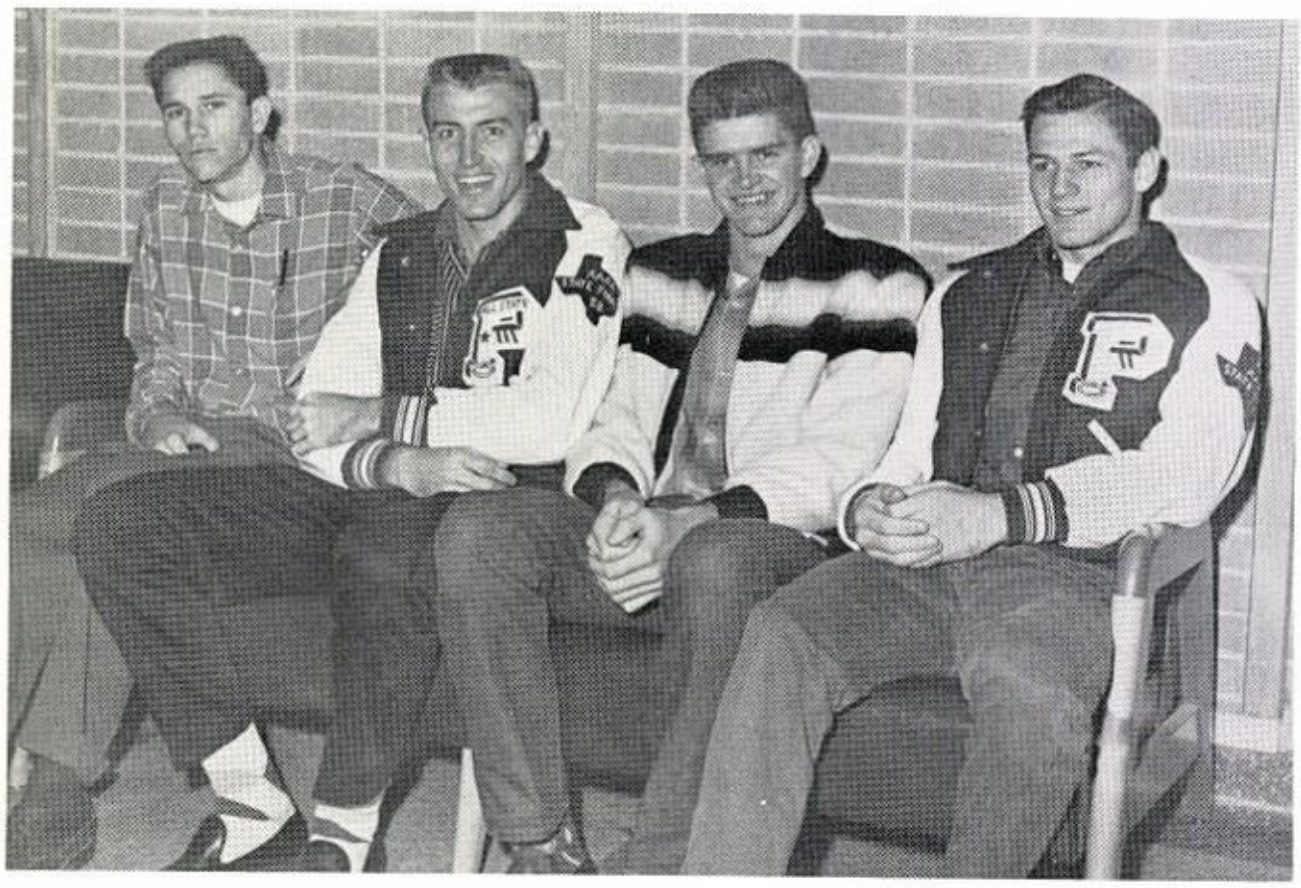
Receiving the Woodmen of the World award last May was senior, Larry Pope.

Carl Choate and Randall Kerbow, All-State and All-American football team members, polish up the state-finalist football trophy.

A. J. Bentke and Toni Mensing achieved the highest scholastic average their junior year of 1957 and 58.



Jimmy Bunkley, Ronnie Richards, Leonard Faseler, and John Morgan were selected by our faculty as Junior Rotarians.



Students selected on the merit basis to serve as Junior Kiwanians were Larry Pope, Carl Choate, Troy Woodall, and Tom Coleman. David Webb also served but is not pictured here.

Making up the group of Junior Optimists were A. J. Bentke, Billy Stephens, David Copeland, Jerry Funderburg, Tom Muehlenbeck, and Fritz Kirkpatrick.

HOMECOMING QUEEN CROWNED

"And now the queen is," and three girls breathlessly waited as the time approached for the announcement of the Homecoming Queen.

Half-time ceremonies climaxed an eventful day of homecoming activities. Queen Sandra Spear, elected by the student body, was escorted by her brother, Tex Spear, and crowned by Charles Wilson, President of the Ex-Student Association. Accompanied by her two duchesses, Vivian Fincher and Joyce Johnson with their escorts, Tommy Wilhoite and John Morgan, respectively, "Sandy" was entertained by the band and cheered by the crowd.

ANSON JONES

Vivian Fincher, features editor of *The Pasadenian,* presents the 5 finalists in the Handsomest Contest: Paul Boctine, Charles Carr, Ralph Dorsett, Darrell Hazel, and Anson Jones.

BEAUTY AND GOOD LOOKS RECEIVE RECOGNITION

The annual contest to select the most beautiful and handsomest was held in December and judged by Jim Scott, TV Announcer, Jerry Evans, Editor of Sam Houston High School Yearbook, George Shackelford, Art Professor from U of H, and Mrs. Jo McCreary, Mary Beth McDonald Model.

The candidates were nominated by the student body and there was a field of 29 girls and 31 boys.

After all candidates were viewed and interviewed, the judges narrowed the contestants down to 5 girls and 5 boys. The winners were presented at the Christmas formal.

Finalists: Brenda Tinsley, Ann Sibley, Judy Rhodes, Marilyn High, and Erma Lee Fields, hear the winner of the Most Beautiful Contest announced.

QUEEN OF HEARTS

Personality was the outstanding factor of the Queen of Hearts election, in which the entire student body took part.

Any sophomore, junior or senior girl, who had not received an honor this year, was eligible. After narrowing a field of twelve girls down to three, the students voted for the queen of their choice. Her identity was kept secret until the night of the Valentine Dance, when she was crowned.

ORGANIZATIONS

The extracurricular activities of Pasadena High School are many and varied so that most students can find a place to enjoy companionship while working toward a goal.

The theme of these organizations ranges from technical and aesthetic activities to political activities.

In the main the organizations are socialized learning groups.

Our largest elected organization is the Student Council.

MISS AGNES McKINLEY
Sponsor

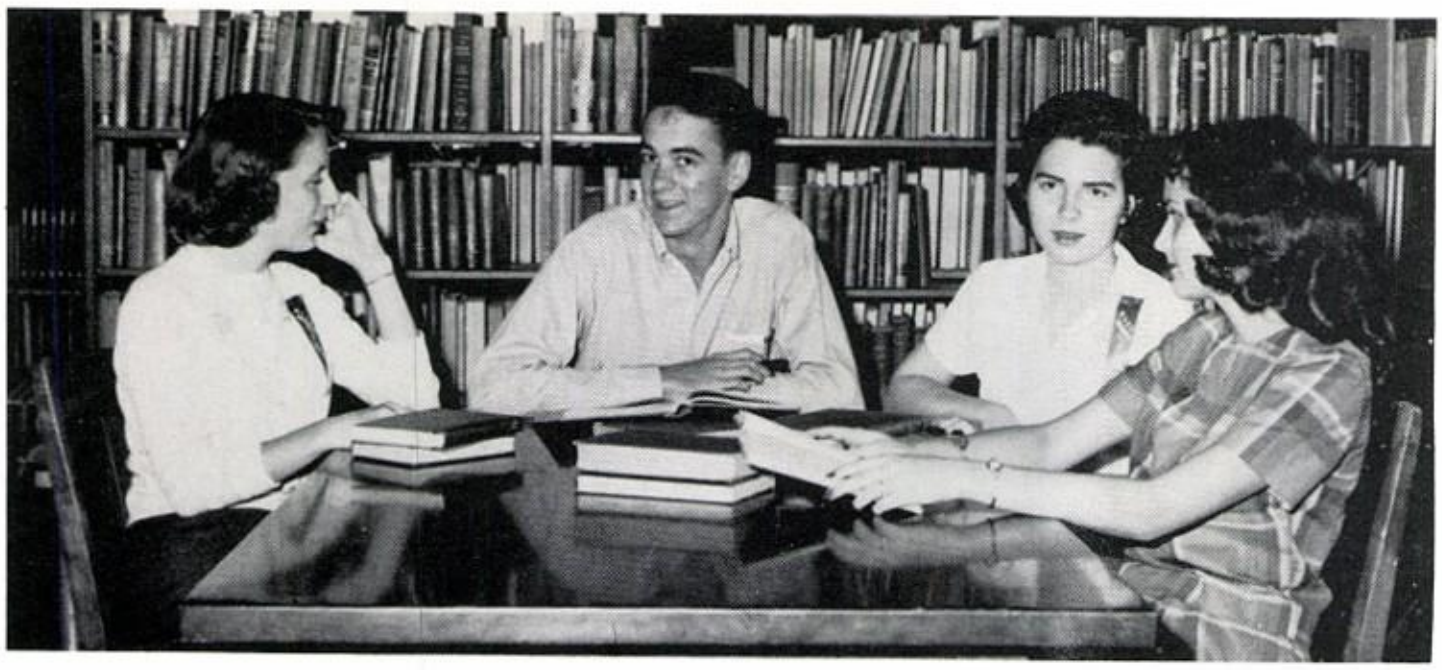
STUDENT COUNCIL

Working diligently and shouldering many responsibilities, the Student Council accomplished innumerable worthwhile projects. The Council published the student handbook and basketball programs; sponsored the cafeteria clean-up, Boys' and Girls' Week, and the March of Dimes drive; and sold football banners to finance the Good Sportsmanship League. The newly built memorial garden adds a touch of beauty to our campus.

A "member of the month" is chosen because of outstanding service. Our Student Council is a charter member of 12-AAAA Area Student Council organization.

OFFICERS: Brenda Tinsley, historian; Joyce Johnson, secretary; Billy Stephens, vice president; Lois Eckert, parliamentarian; John Morgan, president; Billy Hale, sergeant-at-arms; Davy Crocker, treasurer; and Sandra Spear, corresponding secretary.

NATIONAL HONOR SOCIETY



OFFICERS: President, Bill Brewer; Vice President, Julia Scott; Secretary, Judy Elliot; and Reporter, Diana Henckel.

"Honor and shame from no condition rise; Act well your part, there all the honor lies."

—Alexander Pope

President Bill Brewer, aided by his capable officers and executive committee, started the year off with a bang by selling attractive book covers. Junior Honor Society members were feted at the get acquainted party and were urged to maintain their high academic standards. Five percent of the Junior class and ten percent of the Senior class were chosen and were initiated at a surprise ceremony in the library.

FUTURE NURSES

"Light your lamp for service"

Beginning its sixth year, the Pasadena Future Nurses Club acquaints its members with all the rewarding aspects of nursing. The fellowship meeting with South Houston's chapter renewed old friendships. The members gained first hand information from their visits to John Sealy Hospital and the Lighthouse for the Blind.

At the State meeting, held in March 1958, Loretta DeFreese was chosen State Secretary. A candle light service for new members came in February.

FUTURE TEACHERS CLUB

"A teacher affects eternity," Henry Brooks Adams once wrote, "He can never tell where his influence stops."

Giving students an opportunity to learn the history of teaching and the requirements of a good teacher, the Future Teachers Club offers excellent opportunities to students interested in teaching.

During the year, club members observed classes in some of the elementary and junior high schools of Pasadena, gave devotionals throughout Texas Education Week, and participated in the assembly dedicated to education which climaxed the week.

A CAPPELLA

Mr. Ludon, A Cappella Choir director, discusses a new piece with the members.

"Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness; come before His presence with singing."

—PSALM 100

Putting into practice this teaching of the Psalmist, the Pasadena High School A Cappella Choir appeared at numerous school assemblies and civic meetings in Pasadena and neighboring towns.

Under the direction of Mr. James T. Loden the choir gave its first concert in the new

CHOIR

auditorium during the Christmas celebration. The concert was made up of both religious and popular numbers and was presented at two student assemblies so that all the students and visitors could enjoy the music.

The spring concert tour, the big tour of the year, was financed by the annual sale of homecoming corsages and a spaghetti dinner. A great deal of work went into the planning and preparation, but the students found the trip was worth it.

SPEECH DEPARTMENT

Rehearsing "John Doe," Don Foster talks to Douglas Brossett while Jimmie Palmer looks on.

MISS NINA VERSER
Director

The Speech Department under the direction of Miss Nina Verser offers training in dramatics, debate, and other public speaking.

As members of the department students interested in public speaking belong to the Silver Gavel. This year they planned and held an open house, Fine Arts Focus.

Students interested in dramatics only, belong to the Green Masquers. This year they presented several plays and assisted with the Senior Play. Students in this group not only act in the plays but direct, produce, build stage scenery, and do all the multiple other jobs connected with the theater.

The Production Staff for "John Doe" gather around a prop to pose for the camera. They are: Wanda Ford, Deethlyn Olsen, Johnnie Barnes, Carol Sue Edwards, Richard Fairfield, and De Vara Stalarow.

SPEECH DEPARTMENT OFFICERS: John Black, President; Judy Peak, Public Relations; Leah Stalarow, Vice President; Betty Hilligoss, Treasurer; Geraldine Carter, Secretary.

To become a member of the Thespians, National Honor Society for Drama, a student must earn a given number of points by work with plays. Students achieving this honor are Emily Marchant, John Black, Jimmy Palmer, De Vara Stalarow, and Don Foster.

The National Forensic League, a public-speaking honor society, is the club, ambitious public-speaking students want to join. To do so they must earn a certain number of points in that field. Geraldine Carter, Robert Muckleroy, and Betty Hilligoss have earned this distinction.

CHEERLEADERS GIVE VOICE TO EAGL

PIRIT

Alternate Cheerleaders were Virginia Coffman, Joe Shelley, Robin Pasternak, Roger Ernst, and Lou Ann Moehlman.

Vim and vitality from our cheerleaders ignited enthusiasm among the student body, and during pep rallies the gym walls reverberated from the yelling, cheering crowd. At the football and basketball games and parades, our vivacious cheerleaders helped push our team to victory. Always full of contagious energy and liveliness, these six put pep and school spirit into the student body and spectators.

It was also their duty to decorate the goal posts and stands before home games and to form a welcoming committee for visiting cheerleaders. In performing all these duties, our cheerleaders made every home game a memorable event of fun, color, gaiety, and enjoyment.

With quick grins and ready cheers, the Alternate Cheerleaders added a special sparkle to every Junior Varsity game. These alternates gained valuable experience in training for varsity cheerleaders.

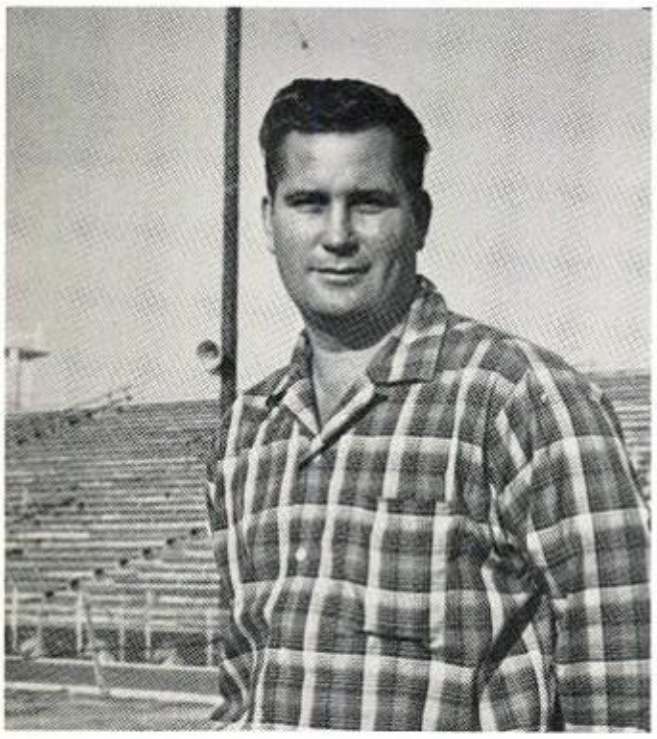
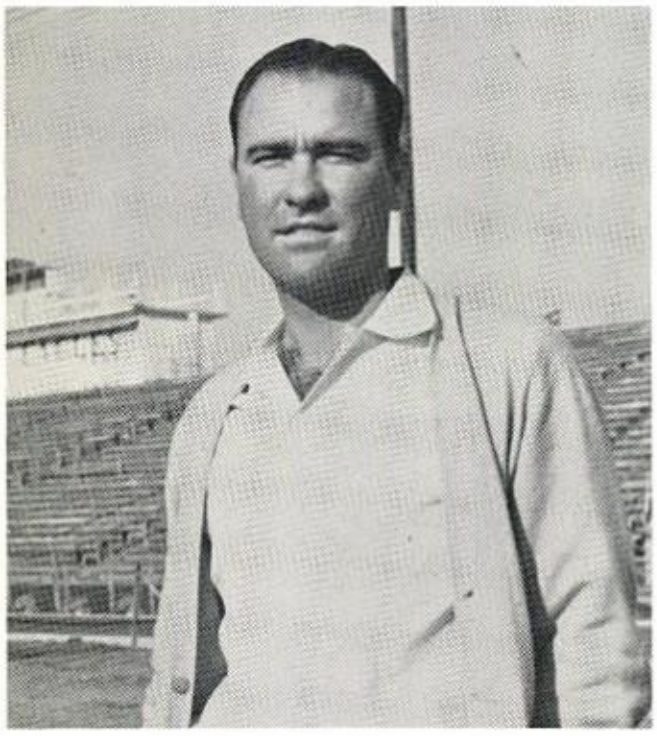
NEWLY ORGANIZED COACHING STAFF PROVES ITSELF



LINE COACH SAM SAILOR

Coach Sam Sailor served his apprenticeship in the Pasadena School District for nine years. He coached three years at Jackson Junior High, three years at Southmore Junior High, and this is his third year at Pasadena High School.

Coach Sailor attended Corrigan High School and Sam Houston State Teachers College. He is known for his ability to get along well with the players and is loved by all of them. The Eagles' fast, hard-hitting line was a good example of his coaching ability.



BACKFIELD COACH JACK FINK

Coach Jack Fink has been coaching at Pasadena High School for three years. A graduate of Harlingen High School and Texas A & I, he coached one year before coming to this system.

As backfield coach under Head Coach Barfield, he did a fine job of directing the Eagle offense and pass defense.

Head Trainer John Maguire, who serves the entire Pasadena School District, has been with the school system for ten years. Before becoming trainer, he coached baseball at the high school.

Mr. Maguire graduated from St. Thomas High School and the University of Houston. Many times it was his tape and vitamins that gave the Eagles that extra edge they needed to win.

TRAINER JOHN MAGUIRE

COACH BOB BARFIELD

In his first year at Pasadena High School, Coach Robert (Bob) Barfield coached the Pasadena Eagles to the 12AAAA championship and on into the state finals. He came to Pasadena from Baylor University and before that had coached at Cedar Bayou, Corrigan, and Robstown after graduating from Sam Houston State Teachers College in 1939.

Always sincere and easy going, he quickly won the love and respect of the boys and everyone who came to know him.

EAGLES UPSE

The story of the EAGLES of 1958 is the story of a TEAM. A TEAM with experience, ability, co-operation, desire, and as a Houston paper quoted some of the boys, the finest COACHES in the state. School SPIRIT reached a peak seldom surpassed and this backing helped push the EAGLES into the STATE 4A FINALS. After losing early season scrimmages to Reagan and Milby and dropping the opening game to Odessa, the EAGLES came alive to upset Lamar and continue winning through 12 games and the semi-finals.

Many of these victories were upsets according to the papers, who wouldn't realize that Pasadena was a champion, but weren't surprises to Coach Barfield and his EAGLES, who had made up their minds they were going places. Knocking off opponents one by one, the EAGLES never failed to respond when necessary and never choked under pressure. Teamwork always came first. Three of the top five district scorers were from Pasadena and all but two members of the offensive team scored. All but two starters, offensive and defensive, were given recognition in all-district selections.

The history-making EAGLES had a well-balanced attack with swift, elusive backs and a fast, strong line. The rock ribbed defense was stingy on yardage and points and scored several times themselves.

Let's look back at the impressive record the EAGLES left on their way to the state finals.

The Eagles opened their first season under Coach Bob Barfield and assistants, Sam Sailor and Jack Fink, in Odessa on Sept. 12. The plane trip was the high point of the weekend for the Eagles because they made too many mistakes, started clicking too late, and came home on the short end of a 21-8 score. Trailing 14-0 at half-time, Pasadena got back into the game when Broussard scored on a 4 yard plunge and a pass from Kerbow to Goehring scored the two extra points. But it was to no avail, as Odessa came back to score with 1:18 left to clinch the game.

During the long trip home, the Eagles decided that losing was no fun and that they would do something about it. They did. They started winning, won twelve in a row, and reached the goal they had dreamed about, but hadn't really believed would come true. They reached the state 4A finals.

The victory trail started with an upset win over Lamar 19-6 in Eagle stadium. The Redskins, confident and two touchdown favorites after a 6-0 win over Baytown, found themselves behind 13-0 before the game was 5 minutes old and never recovered. Kerbow scored all 19 points on runs of 23, 2, and 8 yards and an extra point, but it was a team effort that throttled and out-gained the powerful Redskins. Everyone got to play as the Pasadena bench was cleared in the fourth quarter.

Next to fall was Texarkana as the Eagles revenged their 1957 loss. The Tigers were smothered 20-8 in the dust of Eagle Stadium on October 3. Bryant scored first from 4 yards out. Kerbow passed to Choate and later sneaked over for the other touchdowns. A pass to Batchelor scored the extra two points.

This ended non-district play and the Eagles looked hopefully toward the 12 4A crown. Most predictions still had the Eagles rated 3rd or 4th, behind Galena Park, Baytown, and Spring Branch, but these were to be proven wrong.

The Eagles opened 1958 district play on October 10 in Galveston by trouncing Ball High 46-12. Pasadena soared to a 28-0 half-time advantage on touchdowns by Choate, Webb, Batchelor, and Kerbow. The score continued to climb as the Eagles came back with touchdowns by Webb, Funderburg, and Jones. Galveston finally managed to score using a spread.

Then came the high point of the regular season. Baytown, who had always had a jinx on Pasadena, fell before the mighty green wave 28-0 after being picked to win. This was the worst defeat Baytown had received on its home field since 1953. The game was never in doubt and the score would have been higher, but a penalty erased Hale's 88 yard touchdown gallop.

Broussard scored first on a 46 yard sprint and Kerbow converted to start the romp. A few minutes later, Kerbow passed to Goehring for a 24 yard touchdown and then passed to Robinett for the extra two points to make the half-time score 15-0.

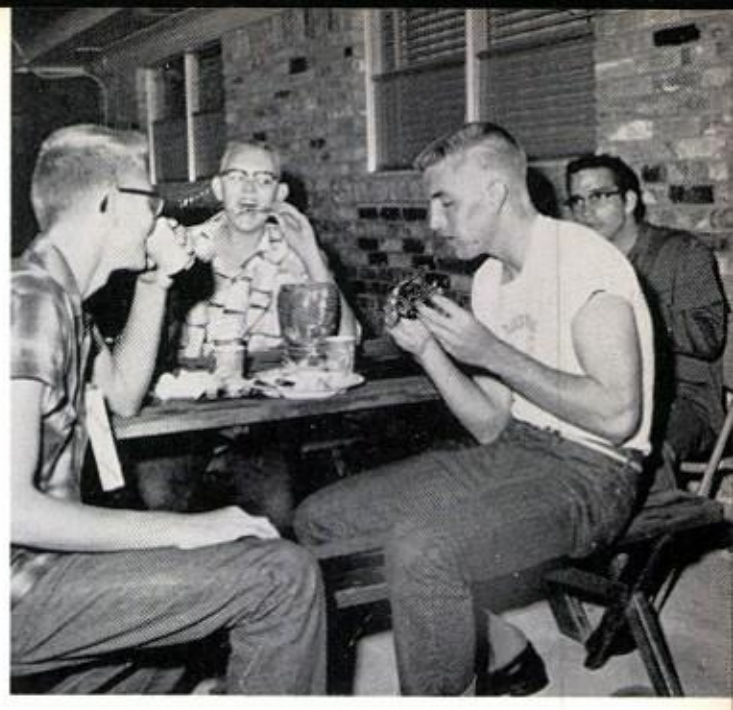
BAYTOWN, 28-0

In the third quarter, Crenshaw broke through to block a Baytown punt and covered it in the end zone for a touchdown. Kerbow passed to Choate for the final touchdown and kicked the extra point to end the official scoring. Baytown gained only 17 yards the last half and saw their threats turned back by a tough defense led by Boozer, Shelby, Matthews, and Reekie.

This victory gained Pasadena a state rating and gave them added confidence that they couldn't be stopped. The jubilant Eagles rocked the dressing room and the bus with their shouts. It was a sweet victory that will never be forgotten.

This win set the stage for the showdown with Galena Park, defending champions. Experts picked Galena Park because they outweighed Pasadena 12 pounds per man, but were wrong again. Pasadena completely controlled the game for over 3 quarters and moved the ball up and down the field, but could only put 10 points on the scoreboard.

After marching to the Galena Park 8, Kerbow kicked a field goal to give the Eagles a 3-0 lead. Then in the 2nd quarter, after a pass interception by Batchelor, Kerbow passed to Choate, who made a tremendous catch between 2 defenders, for the touchdown and converted to end Pasadena's scoring. The mighty defense came through again as they completely stopped Galena Park until late in the 4th quarter when the Jackets scored.



Eagles enjoy the spoils of victory for holding Baytown scoreless.

The victory over Galena Park gave the Eagles the inside track for the district crown. They now were in first place, with a 3-0 record, and had Baytown and Galena Park in their victory column.

The Eagles moved on through district play without too much trouble. They defeated South Houston 36-10 on touchdowns by Webb, who made 3, Batchelor, and Choate. Pasadena also scored a safety and extra points by Webb and Batchelor.

Pasadena had to cool off Spring Branch to beat them 28-14. Spring Branch scored first and last, but in between it was all Pasadena. Touchdowns were by Webb, Kerbow, Goehring, and Choate. Kerbow kicked two extra points and passed to Choate for the other 2 points. An alert defense led by Funderburg, Robinett, Boozer, Crenshaw, and Batchelor capitalized on Bear mistakes.

The Eagles blasted Texas City 40-6 to secure a share of the district crown and a spot in the play-offs for the first time in 12 years. Choate, Webb, Broussard, Batchelor, and Peterson scored touchdowns.

Pasadena won the district championship outright by dropping Brazosport 27-6, scoring 3 times in the first four minutes, and then resting the regulars for the bi-district clash. Lemons, Choate, and Robinett scored, and Kerbow kicked 3 extra points, and out came the regulars. Shelby went back in at fullback to score the final touchdown.

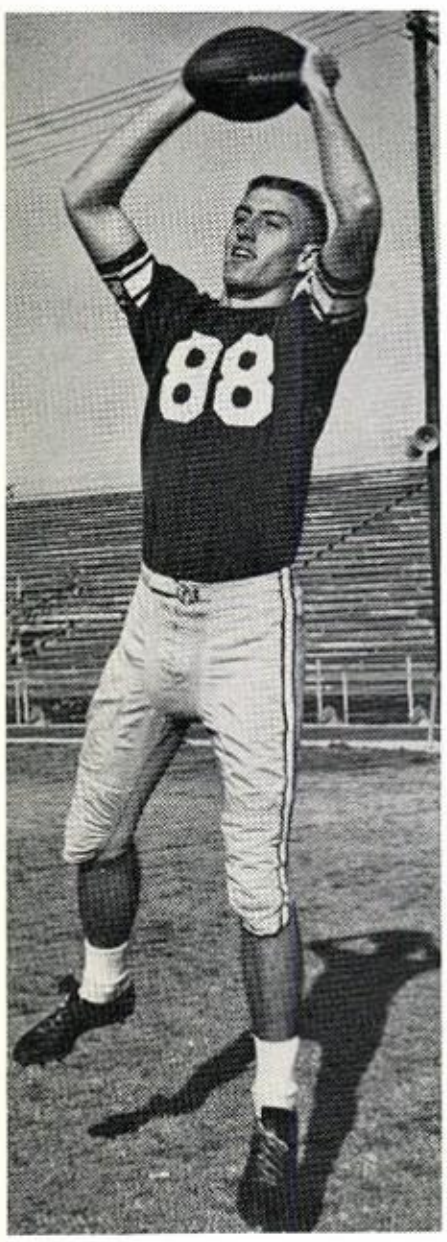
The Eagles came out of regular season play with a 9-1 record and an undisputed district championship. They had scored 262 points while allowing opponents only 89. They had victories over such state powers as Lamar, Baytown, and Galena Park, and this in itself was a successful season. But the Eagles and their coaches weren't satisfied and looked confidently toward the play-offs.

While Pasadena was defeating Brazosport, Port Arthur won the right to meet them in bi-district play by dropping Beaumont. Officials of the two schools met, and Pasadena won the toss and the right to play at home Friday night, Nov. 29.



CARL CHOATE

This kind of pursuit won games. Ten Eagles are closing in on a Port Arthur back.

IRST TIME

The Eagles dropped Port Arthur, 1957 state finalist, 6-0 after seeing 3 drives stopped by fumbles and the end of the first half. Pasadena marched to the Port Arthur 9 where a fumble stopped them. After an exchange of punts, the Eagles drove back to the 13 where they fumbled again. Then after getting the ball on the Port Arthur 15, time ran out as Webb was brought down on the 2 to leave the half-time score 0-0.

Port Arthur came back and moved to the Pasadena 10 where on fourth down, the tough Eagle defense kept them from getting one yard and a first down. The Eagles roared back down the field to score with Broussard, Batchelor, and Choate getting crucial yardage. Kerbow scored from the one at the first of the fourth quarter and the Eagle defense took over.

Port Arthur marched to the Pasadena 17 where Funderburg deflected a pitch out, and Reekie fell on it to end the threat. The Eagles outgained Port Arthur almost 2 yards to 1 with all four backs averaging around 5 yards per carry.

Pasadena now faced Reagan, who had upset Lamar to gain the quarter-finals. This was the farthest any Pasadena team had ever advanced in upper bracket football, but the Eagles still weren't ready to stop.

Pasadena raced by Reagan in the quarter-finals at Eagle Stadium, 24-14 with Webb and Broussard doing the heavy damage, backed up by a great team effort.

Broussard scored on a fourth down try from the 14 to give the Eagles a 6-0 half-time lead. Reagan drove to the Pasadena 25 to start the second half where the Eagles took over and scored on the first play. Webb took a pitchout from Kerbow, cut back across the field and raced 75 yards for the TD. A few minutes later, Kerbow scored from the one to make the score 18-0, but Reagan made it close again with a touchdown and an extra point. Then, Broussard put the game out of reach as he broke loose and sprinted 53 yards to score.

Reagan scored again as time ran out.

This put Pasadena in the semi-finals against Corpus Christi's Miller, a fast, break-away team. Again the Eagles were underdogs. This time by six points.

In a hard-fought, evenly-matched game in Rice Stadium, Dec. 13, Pasadena came from behind to defeat Miller 7-6 and reach the state finals for the first time in the school's history. The difference on the scoreboard was Choate's touchdown and Kerbow's extra point, but the mighty Eagle defense won the game by stopping Miller's explosive backs and halting two drives late in the game that would have put Miller back in the lead.

The first half was scoreless with each team having one penetration. Miller drove to the 7 to open the game and in the 2nd quarter a Pasadena field goal attempt was short. Then in the 2nd half action really speeded up. The second time Miller got the ball, they marched down the field and scored. A running attempt failed to get the extra points and Pasadena was behind 6-0.

It looked as if the 6 points might beat the Eagles after they fumbled with 9 minutes left in the game, but Miller fumbled the ball right back with Choate recovering it for Pasadena. Then after two running plays had gained 5 yards, Kerbow passed to Choate for a 42 yard touchdown. Choate caught the ball on the 32, ran out of the arms of two defenders, and raced across the

goal to tie the score. Then came the winning extra point. It was Pasadena's only extra point in all 4 play-off games and came at the only time it would have made any difference. Perry's snap to Batchelor was perfect and as Batchelor held, Kerbow kicked the ball straight between the uprights against a strong 16 mile per hour wind.

Miller still had 8 minutes to score and almost did. They drove to the 17 where they were stopped and missed a field goal. They got another chance later after Pasadena received a 15 yard penalty and had to punt against the wind. This time Miller got to the 2, but a penalty and a set back forced them to attempt another field goal from the 23. Crenshaw broke through the line and got a hand on the ball to deflect it, and the Eagles took over with less than a minute remaining.

EAGLES REACH STATE FINALS

The victory matched Pasadena against powerful Wichita Falls for the state 4A championship in Austin, Dec. 20. Oddsmakers favored Wichita by 19 points, and predictions finally caught the Eagles as the fast Coyote backs and superb blocking dazzled them 48-6.

Wichita scored first, and Pasadena came right back to tie it up, but from there on it was all Wichita, a team rated as one of the best state champions Texas has ever had.

Kerbow scored Pasadena's only TD from the one yard line in the first quarter. It was set up by Choate's miraculous catch of a 39 yard pass from Kerbow. The loyal fans cheered the Eagles all the way, but after the TD they had only a few real occasions to cheer.

Some of these were a pass to Batchelor for 22 yards, Robinett's 34 yard kickoff return, and Broussard's 24 yard run to the Coyote 23.

The Eagles didn't concede defeat and never quit hitting. They were just unfortunate in that they reached the finals when a super team was representing the north section of the state.

Head Basketball Coach Carter Lomax and his boys, off to a late start, finished third in the district race. The Eagles kept the title undecided until the final game.

A hectic race that wasn't decided until the last game kept basketball fever high all season. Several cagers got a late start due to the football play-offs and this may have made the difference as the Eagles lost 49-48 in Baytown in the opening district game. Pasadena also missed Winegar who fouled out with 10 minutes left. A field goal and free throw with three seconds remaining beat the Eagles after they had gotten a late lead in the fourth quarter. High scorers for Pasadena were Kerbow and Choate with 12 points and Winegar with 10.

Pasadena then swamped Ball High 58-35 and South Houston 55-41. Winegar and Choate got 13 points each against Ball High in the first home district game. A capacity crowd in South Houston Gym watched Choate, Woodall, and Boegar with 18, 13, and 11 points respectively lead the Eagles past the Trojans.

Pasadena then traveled to Spring Branch who was at the time undefeated and came home with a 66-58 victory. Leading scorers were Winegar, Choate, and Woodall with 24, 18, and 11 points. Continued on page 130.

Pasadena hosted Galena Park in the last game of the first round and dropped the game 44-38 before an overflowing crowd. Winegar and Choate led the Eagles with 16 and 12 points. The loss left Pasadena two games behind Galena and one behind Baytown, but with another round left, the Eagles were not out of the race.

Second round play opened with Baytown at Pasadena and the Eagles revenged their previous one point loss by beating the Ganders 45-43. High scorers were Winegar and Boeger with 9 and Woodall with 8.

Then Ball High fell 56-49 in Galveston and South Houston 69-52 in the Eagle gym. Choate had 20, Winegar 16, and Boeger 10 against Galveston. Leading scorers against South Houston were Choate, Maxwell, and Winegar with 18, 11, and 10 points.

The Eagles were in the race again because Baytown had beaten Galena Park, but were knocked back out when they lost to Spring Branch, 49-48, in an overtime game. Winegar had 12 points, Boeger 11, and Maxwell 11 for the Eagles.

Pasadena took the next two games, dropping Texas City, 46-31, and Brazosport, 51-24. The Eagles' new zone defense held the opponents down while Choate led the scorers with 18 and 22 points in the two games.

Pasadena dropped the final game 49-42 to Galena Park and finished third in the district. Winegar hit the hoop for 15 points, and Choate hit 12 to lead the Eagles in the loss.

GIRLS' PHYSICAL EDUCATION DEPARTMENT OFFERS VARIED PROGRAM

The girls of Pasadena High also have a part in the sports activity of their school. Throughout the year, one of the most interesting and important parts of the sport's picture at P.H.S. is the intramural program for the girls headed by Miss Ernestine Osborne, Mrs. Billie Snelson, Mrs. Margo Bishop, Mrs. Nina Sue Forbes, and Mrs. Gwen Webb.

ACADEMICS

In an effort to tell the complete story of a year at Pasadena High School, the Annual Staff found that the most important part of any school had not been given a section —that of academics. So, for the first time, the yearbook presents a section to tell a story of the classes in action.

The program of studies is broader than that of many schools because of the needs of the students, and ranges from calculus to auto mechanics.

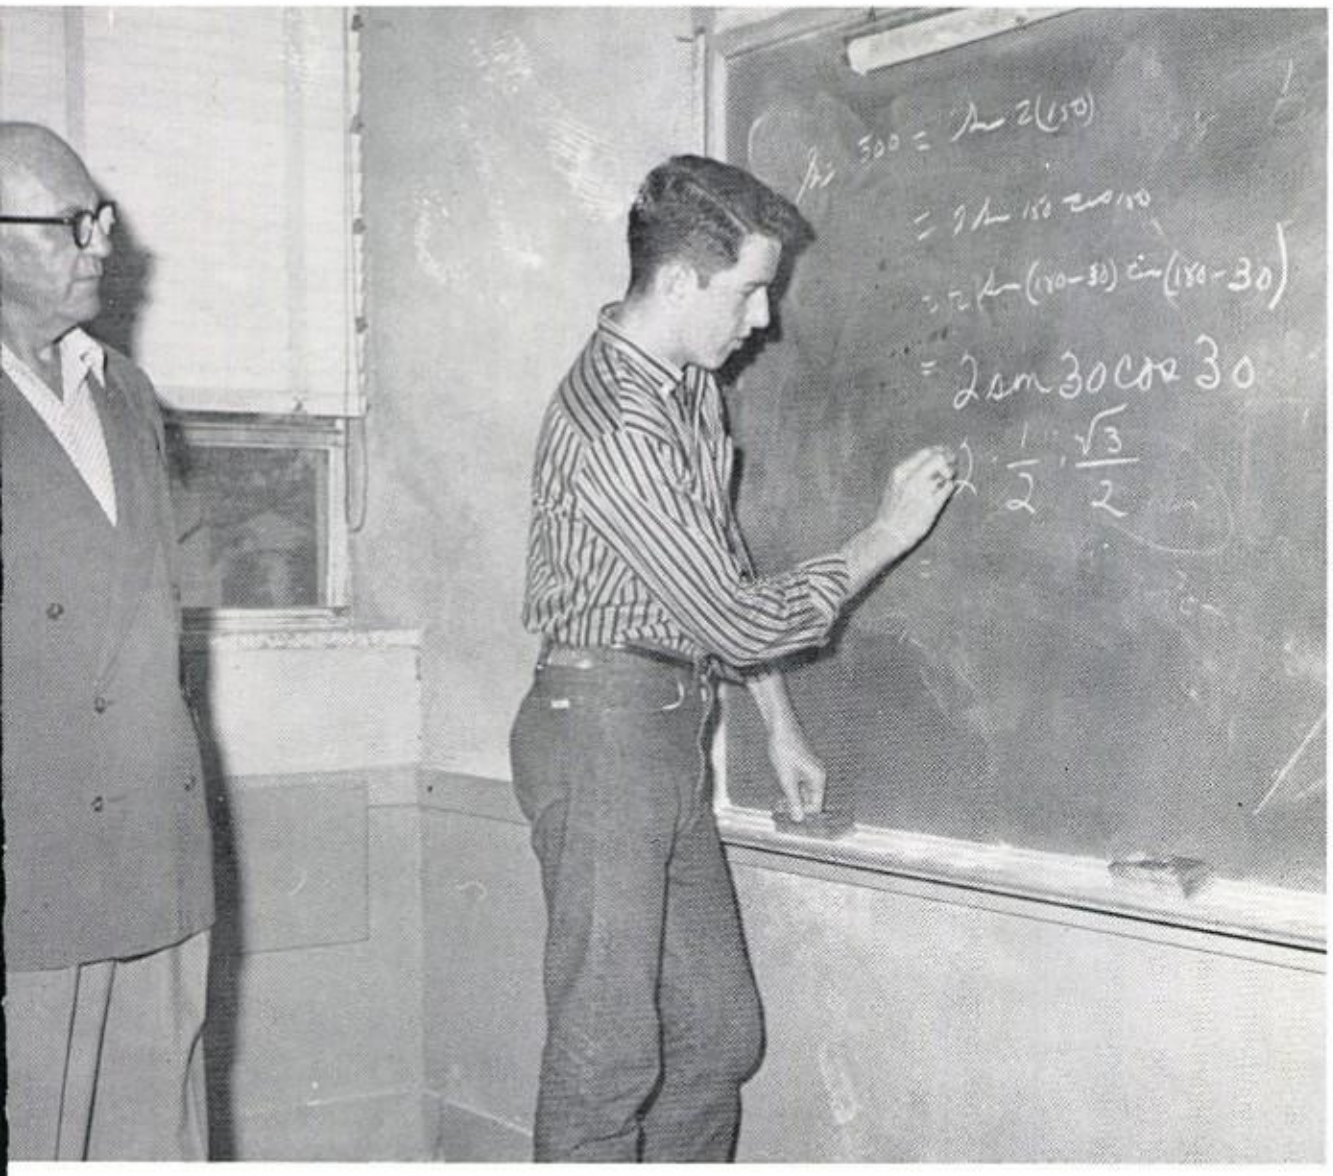
SCIENTIFIC AGE



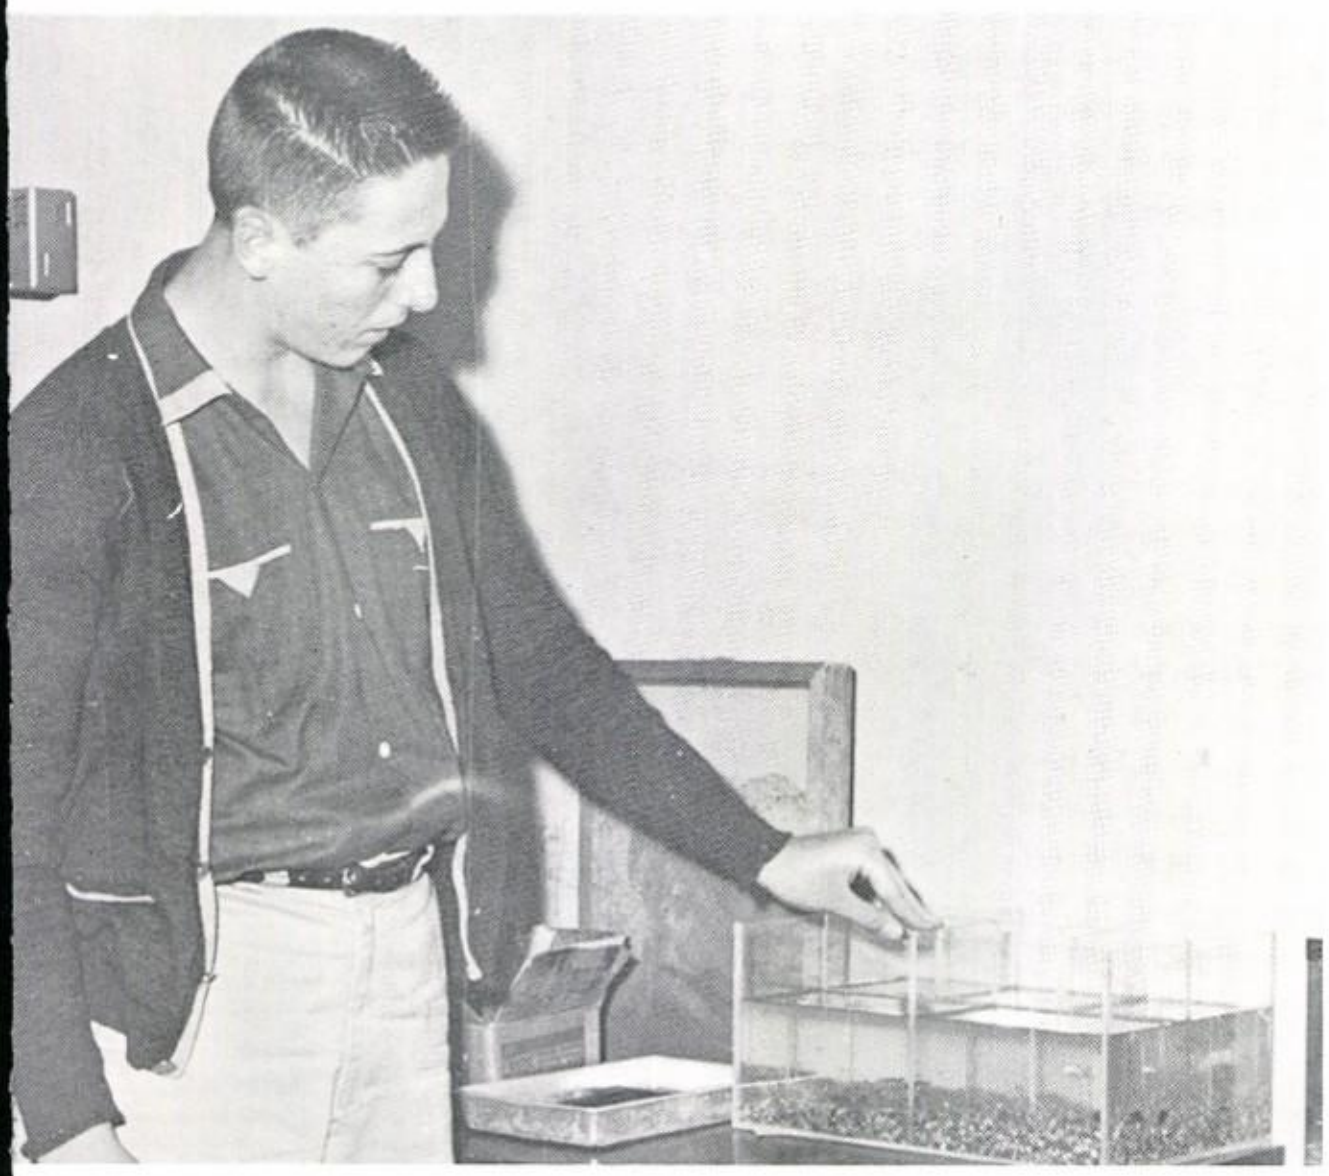
Jim Pyle works a trig problem as Coach Wall looks on.

Academic requirements and scholastic standards in Pasadena High School are outstandingly high and rigidly adhered to. A member of the So. Asso. of Schools and Colleges, the high school constantly revises its curriculum to meet today's challenge of better trained graduates.

Minimum requirements for graduation are 20 credits, among which are 3 in English, 2 in math, 4 in social science, 2 in science, and 2 in P.E. Students planning to enter college or technical training programs are counseled to have more basic subjects.

Upon entering the ninth grade, students, with the help of counselors, plan their four year academic program. This plan is revised as the student progresses and is the guide post for his high school career.

Since the advent of sputniks and missiles, the Science Department has been enlarged, developed, and stressed. Future scientists and striving seniors may take physics and physiology. Biology, applied science, and chemistry are offered, also. Individual research and experimentation are encouraged by Science Fairs and awards.



Randall Grafe displays his aquarium, which was a Biology project.

DISTANCE AND TIME BARRIER

Sharon Fleming and Bob Greensby look at a Spanish poster in Mrs. Humphries' class.

The Language Arts Department, striving to improve the art of communication, stresses composition, grammar, and a wide background of literature. In addition to four years of English available to the students, the school also offers course in Spanish, French, and Latin.

The Social Science Department offers a variety of history and government courses. World History, American History, and Civics are required, while Sociology, Texas History, and Bible are offered to students desiring a wider field.

The mathematics program is very extensive, and although all students are required two years in math, many students take more math courses, ranging from commercial arithmetic to calculus. Math courses offered are general math, algebra, plane and solid geometry, applied math, advanced math, trigonometry, analytics, and calculus.

Students appear to be hard at work in Miss Mattie McClung's 5th period English class.

Many students go into the vocational field immediately upon graduation, and ship channel industries vie for Pasadena High trained graduates. For this reason our school offers a wealth of vocational subjects; typing, business machines, office practice, stenography, and commercial law.

Boys also have an opportunity to learn other vocational arts in radio and electronics, woodshop, auto mechanics, mechanical drawing, and metal shop. The Distributive Education department, which sends students into the business world to work while learning, offers to students on the job training.

VOCATIONS DEVELOPED

Choir, band, speech, and art help students develop the fine arts. The music department offers instruction in marching band, concert band, and orchestra. The A Cappella choir made their school proud on various occasions when they took trips and tours. The speech department offers courses in the fundamentals, public speaking, drama, and debate.

Girls have the opportunity to learn much about future homemaking through the home economics department. They may learn social graces, as well as cooking and sewing.

Journalism students anticipate becoming members of the Beacon Staff, which is the school newspaper. Journalism students learn how to prepare copy and edit newspapers, preparing some for a career in journalism.

1959 PASADENIAN STAFF

Ten members of the PASADENIAN STAFF and Mrs. Frances Smith, Sponsor, burned mid-night oil, chewed finger nails, and pulled hair to put together an annual that would tell the story of the school year in a way the students would enjoy remembering it.

The staff, composed of eight seniors and two juniors, only two of which had previous experience, enjoyed the year of work, brightened at times by laughs. In the fall, five members traveled to Denton to convention, at Christmas they celebrated with a party, and in the spring, closed the year with a banquet.

Congratulations
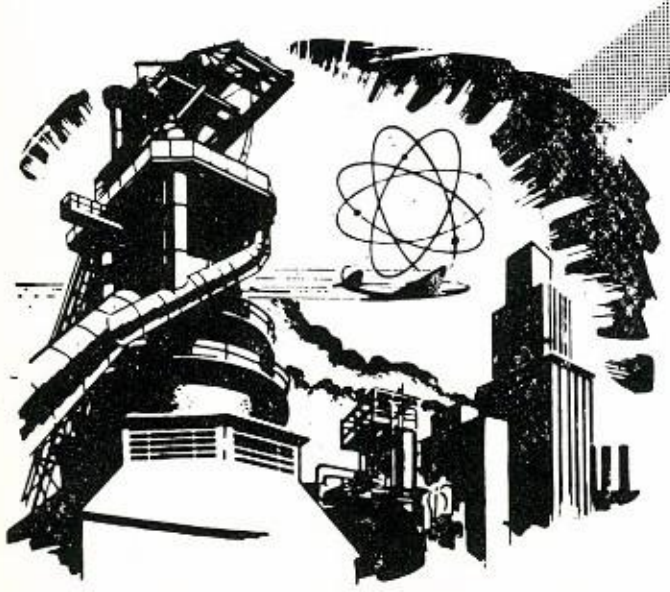
on your achievement

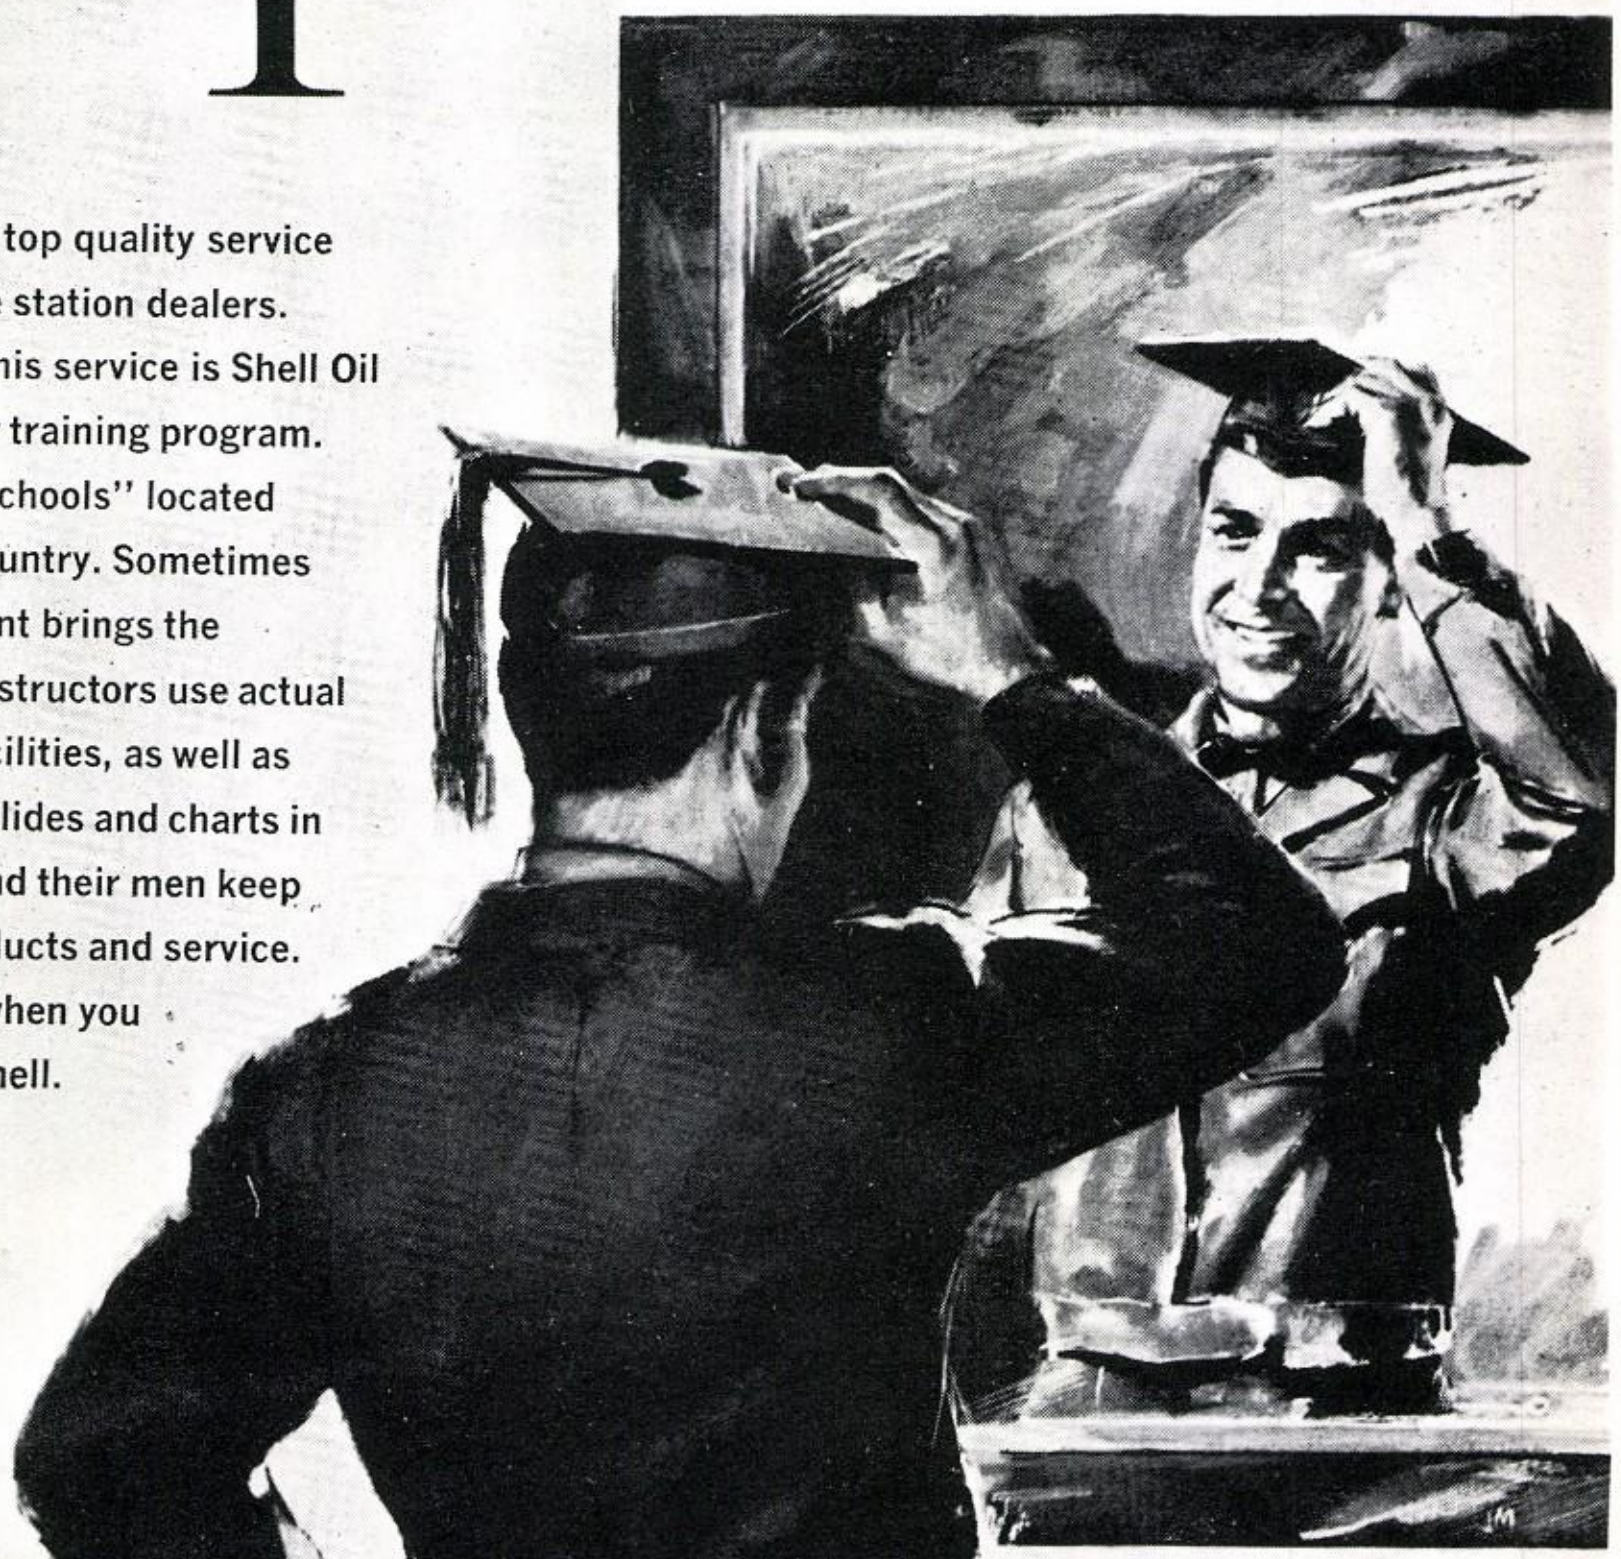


What next . . . college? marriage? business? Well, no matter what your choice, aren't you glad it's the American way to choose as you please! This freedom of choice, and other freedoms which are the core of our country's greatness can be preserved only so long as we appreciate and work for them.

Congratulations on your graduation.

HOUSTON LIGHTING & POWER COMPANY

Tops IN BUSINESS



Motorists receive top quality service from Shell service station dealers. A big reason for this service is Shell Oil Company's dealer training program. Dealers attend "schools" located throughout the country. Sometimes portable equipment brings the school to them. Instructors use actual service station facilities, as well as motion pictures, slides and charts in helping dealers and their men keep up to date on products and service. You get the best when you take your car to Shell.

DREAMERS . . . DOERS

America realizes her dreams in accomplishments. What better way to assure *your* place in the future than by preparing yourself for a professional role in the Scientific Era. Your dreams . . . and plans . . . right now will largely determine your deeds of tomorrow. The chemical industry offers unlimited opportunity for growth and development to young science graduates in the Gulf Coast area. Discuss it with your curriculum advisor at the first opportunity.

WHICH FUTURE FOR YOU . . .

Will your chosen field be growing 10 years from now? Or will it be standing still? The choice you make has never been so important . . . to you or to our country.

There is one field where you have an unlimited chance for personal growth PLUS unending opportunity to contribute to Man's well-being: CHEMISTRY. People are needed for every phase of the chemical business: research, marketing, administration, sales and manufacturing.

We are on the threshold of wonderful new discoveries vital to us in our food, medicines, clothing, building materials, in the very fuels that will carry us to new worlds.

We and you are fortunate in having these new frontiers to conquer.

Friend

As always, the most beautiful is to be found at Norman Furniture!

We have been in Pasadena almost fourteen years . . . same names . . . same faces . . . and we are old fashioned enough to still believe that honesty is the best policy . . .

This is a very sound judgement . . proven years ago and still much appreciated by many of your best friends and neighbors . .

Your good neighbor in Pasadena!
